

GOD, WHAT'S MISSING?

A photograph of a man and a woman sitting on a dark wooden church bench. The woman, on the left, is wearing a dark dress and black heels, with her hands resting on her lap. The man, on the right, is wearing a dark suit and black shoes, with his hands clasped in his lap. Both are looking down, and the overall mood is somber. The background is a plain, light-colored wall.

God Is Relevant Luis

Palau,2010-05-26 Is God relevant In this intriguing work internationally renowned author and public speaker Luis Palau tackles what noted historian Will Durant calls the greatest question of our time whether we can live without God Admittedly many individuals today want to go it alone without God Either they feel no need for God or they don t want God in their lives for some reason perhaps because of a bad experience with organized religion Or perhaps some have doubts because God seems to be outdated or contrary to current thought At the heart of such doubts are intellectual questions raised originally by some of modern history s most influential and outspoken atheists and agnostics Yet despite whatever doubts exist as we near the turn of the millennium interest in faith and spirituality is as strong as it has ever been and it continues to grow Noted religion pollster George Barna says Americans are probably more interested in spiritual matters than they have been in any other time in the past forty years In this book Luis Palau shows how God is not an outdated idea but a powerful personal force that can transform our troubled times and guide us into the coming millennium At Home: On Carpenter's Knob Michael Rich,2006-08 Where is home When do you feel most at home I found home in Carpenter s Knob Created over the past twenty years this little town based in fiction is far from fictional Many people who have read these stories agree that it sounds something like their hometown too I will bet that in these pages you will discover folks just like your friends and family If not you probably would like to meet folks like these Now they are all collected in one place in one portable version May they take you home *The Long Goodbye* Carole A.
