**Jonathan Swift and the Arts** Joseph McMinn, 2010 Swift is a shrewd and humorous observer of the changing artistic and cultural scene in both Ireland and England and his views on these changes in public taste are an important albeit neglected part of his biography His correspondence especially his *Journal to Stella* shows us someone very aware of the various arts and of their lively emergence from the enclosed world of the Puritan era Many of Swift's friends and acquaintances were serious collectors of paintings sculpture coins medals and Swift himself eventually

enjoyed an interesting and revealing collection of artistic artifacts as this study shows *Jonathan Swift, Giant in Chains. [With Plates, Including a Portrait.]*.
