How To Select Stocks Using Technical Analysis:

How to Select Stocks Using Technical Analysis Martin J. Pring, 2002 Martin Pring is one of the most respected names in the field of technical analysis. He has written several successful books for McGraw Hill and speaks worldwide at seminars and conferences on technical analysis. His most successful McGraw Hill title is *Technical Analysis Explained*, now in its 3rd edition, which has sold more than 47,000 copies. McGraw Hill also published Martin Pring's *Introduction to Technical Analysis*. This book was the first in an intended series of seven books on various aspects of technical analysis. Now *How to Select Stock Using Technical Analysis* is the seventh book in the series. McGraw Hill will be publishing the entire series of this well-known figure. Each book in the series is a complete guide to a key aspect of technical analysis. Using numerous illustrations, the books are entry-level guides that explain and demonstrate the tools of technical analysis. The books use an interactive CD-ROM workbook format to cover every important element of technical analysis. The entire series helps traders develop their technical analysis skills using CD tutorials that allow the reader to practice the techniques in realistic market scenarios. There is also a self-test.
