English Humor

James E. Evans

English Humor:

The History of English Humor A. G. K. L'Estrange, 2022-12-10 In *The History of English Humor* A G K L Estrange embarks on an ambitious journey through the annals of comedic literature delineating the progression of English wit from its nascent forms in antiquity through the variegated tapestry of modernity Presented in two comprehensive volumes L Estrange investigates the nuanced divergence between humor and the ludicrous tracing the evolution of the former as a distinct and sophisticated strand of English culture The literary style of the book combines rigorous historical analysis with a playful engagement with the subject matter reflecting the very essence of humor it seeks to encapsulate The work fits within a broader literary context as both a historical overview and a critical examination highlighting the connection between humor and the socio cultural dynamics of its time A G K L Estrange s scholarly endeavor is informed by a lifetime interest in literature and comedy His expertise fueled by an extensive study of literary forms uniquely positions him to navigate the complexities of English humor This work could be seen as a reflection of L Estrange s desire to institutionalize humor as a respected object of academic contemplation and to honor the role it plays in the cultural and emotional life of society *The History of English Humor* is an essential read for anyone interested in the development of comedy literary history or the social fabric of England L Estrange s meticulous research and engaging prose provide a resonant exploration for scholars and enthusiasts alike promising not only to educate but to entertain readers with a panoply of anecdotes and insights This study stands as a monumental contribution to the understanding of humor s place in English heritage and literature

British Humor Wander Stories, 2016-01-25 Dear Traveler Welcome to the WanderStories guide to British humor We at WanderStories are storytellers We don t tell you where to eat or sleep we don t intend to replace a typical travel reference guide Our mission is to be the best local guide that you would wish to have by your side when visiting the sights So we meet you at the sight and take you on a tour WanderStories travel guides are unique because our storytelling style puts you alongside the best local guide who tells you fascinating stories and unusual facts recreating the passion and sacrifice that forged the beauty of these places right here in front of you while a wealth of high quality photos historic pictures and illustrations brings your tour vividly to life Our promise when you visit the UK with this travel guide you will have the best local guide at your fingertips when you read this travel guide in the comfort of your armchair you will feel as if you are actually visiting the UK with the best local guide Let s go Your guide WanderStories *Humor in British Literature, From the Middle Ages to the Restoration* Don Lee Fred Nilsen, 1997-02-28 An overview of scholarship on humor in British literature from the Middle Ages to the Restoration *The Senses of Humor* Daniel Wickberg, 2015-06-18 Why do modern Americans believe in something called a sense of humor and how did they come to that belief Daniel Wickberg traces the cultural history of the concept from its British origins as a way to explore new conceptions of the self and social order in modern America More than simply the history of an idea Wickberg s study provides new insights into a peculiarly modern cultural sensibility

The expression sense of humor was first coined in the 1840s and the idea that such a sense was a personality trait to be valued developed only in the 1870s What is the relationship between Medieval humoral medicine and this distinctively modern idea of the sense of humor What has it meant in the past 125 years to declare that someone lacks a sense of humor How is the joke as a twentieth century quasi literary form different from the traditional folktale Wickberg addresses these questions among others using the history of ideas to throw new light on the way contemporary Americans think and speak The context of Wickberg s analysis is Anglo American the specifically British meanings of humor and laughter from the sixteenth century forward provide the framework for understanding American cultural values in the nineteenth and twentieth centuries The genealogy of the sense of humor is like the study of keywords an avenue into a significant aspect of the cultural history of modernity Drawing on a wide range of sources and disciplinary perspectives Wickberg s analysis challenges many of the prevailing views of modern American culture and suggests a new model for cultural historians

Dark Humour and Social Satire in the Modern British Novel L. Colletta,2003-09-30 Colletta uses psychoanalytic theories of joke work and gallows humour to argue that dark humour is an important defining characteristic of Modernism She brings together the usual suspects alongside more often overlooked writers from the period and asks probing questions about the relationship between a dark humour that revels in the non rational the unstable and the fragmented and resists easy definition and political usefulness and the historical and social circumstances of the period Colletta makes a compelling argument that probing deeply into the nature of humour or satire that define these social comedies brings to light a more complex and more accurate understanding of the social changes and historical circumstances that define the modern era

Nancy A. Walker,1998-11-01 Critical studies attempting to define and dissect American humor have been published steadily for nearly one hundred years However until now key documents from that history have never been brought together in a single volume for students and scholars What s So Funny Humor in American Culture a collection of 15 essays examines the meaning of humor and attempts to pinpoint its impact on American culture and society while providing a historical overview of its progression Essays from Nancy Walker and Zita Dresner Joseph Boskin and Joseph Dorinson William Keough Roy Blount Jr and others trace the development of American humor from the colonial period to the present focusing on its relationship with ethnicity gender violence and geography An excellent reader for courses in American studies and American social and cultural history What s So Funny explores the traits of the American experience that have given rise to its humor

The Kinks Carey Fleiner,2017-03-01 Emerging from the same British music boom that birthed the Beatles and the Rolling Stones Dave and Ray Davies s band the Kinks became one of England s most influential groups Remembered best for such singles as You Really Got Me Lola and Sunny Afternoon the Kinks produced 24 studio albums between 1964 and 1996

The Kinks prolific and varied catalog have made them both a mirror of and a counterfoil to nearly five decades of British and American culture. *The Kinks: A Thoroughly English Phenomenon* examines the music and performance of this quintessentially English band and shows how aspects of everyday life such as work play buying a house driving a car drinking tea getting drunk and getting laid affected and shaped their creative output. Through an investigation of their music lyrics and image Carey Fleiner shows how the Kinks reflected both the ordinary and the absurd sometimes confronting topics with anger and sometimes with self deprecating humor. *The Kinks* follows the band's trajectory more or less chronologically and explores themes such as growing up in post war Britain the packaging and exploitation of the British Invasion bands satire and self consciousness sexuality and gender bending social and political pessimism the comforts of family and the effects of fame and fandom. Fleiner's investigation into the influences on and impact of the Kinks music takes readers on an engaging adventure through the musical culture of the 60s 70s and 80s revealing how the Kinks created an undeniable sound and image that still attracts new followers today.

The Literary Digest, 1910 *Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World* Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1893

Kant's Humorous Writings Robert R. Clewis, 2020-11-12 While Kant is commonly regarded as one of the most austere philosophers of all time this book provides quite a different perspective of the founder of transcendental philosophy. Kant is often thought of as being boring methodical and humorless. Yet the thirty jokes and anecdotes collected and illustrated here for the first time reveal a man and a thinker who was deeply interested in how humor and laughter shape how we think feel and communicate with fellow human beings. In addition to a foreword on Kant's theory of humor by Noël Carroll as well as Clewis's informative chapters *Kant's Humorous Writings* contains new translations of Kant's jokes quips and anecdotes. Each of the thirty excerpts is illustrated and supplemented by historical commentaries which explain their significance.

The World's Best Humorous Anecdotes James Gilchrist Lawson, 1923 *The Humor Prism in 20th-century America* Joseph Boskin, 1997 *The Humor Prism in Twentieth Century America* explores to what extent and in what ways American humor in the twentieth century reflects history. Why do some jokes evaporate after the telling while others are transmitted to subsequent generations? Just what property of humor allows it to touch diverse members of a culture at a given time? As a penetrating and refracting angle of history humor illuminates the expectations and contradictions of society its anxieties and confusions and permits perspective into any historic moment. *The Humor Prism in Twentieth Century America* explores to what extent and in what ways American humor in the twentieth century reflects history examining the dynamics and disguised messages behind humor. The first section of this volume concentrates on patterns of humor in the twentieth century. Section two looks at the power and politics of women's humor and at multicultural humor. The final section presents and evaluates the major joke cycles from the post World War II period to the 1990s as responses to profound social and economic change such as Polish jokes and JAP jokes.

Comedy, an Annotated

Bibliography of Theory and Criticism James E. Evans, 1987 No descriptive material is available for this title
