## Elements Of Handreading:

The Elements of Handreading Lori Reid, 1997-06 Since its launch in 1989 the Elements of Series has introduced thousands of readers to a variety of spiritual traditions and techniques some ahead of their time Now the series returns with a fresh new look for a new generation of readers Each title offers a quality introduction to its subject written by an expert in the particular field

**Elements of Hand-reading** Phanos (pseud.), 1903

The Hand Reveals Dylan Warren-Davis, 2021-04-26 A practical guide to the fascinating art of reading hands Cheiromancy is the art of handreading in which all aspects of a person's hand are considered in order to gain an accurate picture of their inner nature distinct from the fortune telling of palmistry What has come down to us as palmistry today is a rather degenerate and effete form of the ancient discipline of chiromancy The word cheiromancy comes from the Greek *chir* meaning hand and *manteia* meaning divination literally meaning divination through the hand The Hand Reveals is not merely theoretical at various points throughout the book readers are encouraged to try and apply this knowledge at every opportunity to find confirmation of the ideas There is a considerable amount of knowledge and information compressed into these pages and even the most diligent student would have difficulty in digesting it in one reading It is recommended that you refer back as often as necessary to go the material you have read to allow your understanding of cheiromancy to grow gradually Originally published in 1993 this edition has been revised and updated with new material
