I'll Close My Eyes (but I Won't be Asleep) Elisa Adler,2012 Delusion dementia or discourse A daughter insists on the latter and with the threads of her mother s narratives weaves for them a raft of words These conversations unlike anything I d shared with her before shocked me I was glad they happened only when we were alone together I d never even thought these things I heard us say didn t know where they came from But since they seemed to make sense to her I kept inviting her to speak She d say something I d listen say something back we were together in words As if what we said to each other arose not from our own learning or experience but some underlying chord that included our voices but was bigger spoke through them as if the sound of the ocean were encoded in the sounds of the rain I ll Close My Eyes But I Won t Be Asleep sounds an intimate heartbreaking and sometimes humorous end of life chord in a mother and daughter relationship A compelling memoir I ll Close My Eyes But I Won t Be Asleep is an honest account of what

for most of us remains hidden and unheard It will be useful for anyone torn by conflicting desires and demands battered by memory grief and rage and struggling to give care Elisa Adler studied at the University of California Berkeley Mills College and in Bogota Colombia at Centro de Estudios Colombo Americanos She has worked as a newspaper reporter translator interpreter laborer and domestic teaches English and Spanish at colleges in California and Nevada and farms with her daughter and husband in the northern Sierra
