**I WONDER WHY** AMANDA. O'NEILL,1995      I wonder why butterflies flutter Deborah Oneil,1992 Gift Local 02 12 2004 12 95      **I Wonder Why....butterflies Flutter** Amanda O'Neil,1995      *Aimless* Natilee Jo Shock,2023-05-07 *Aimless* is a poetry collection that explores the idea of relatability through a number of different topics ideas and images The true aim for this book if forced to come down to only one is to make the reader feel less alone and more understood All experiences are individual yet emotions are significantly more universal *Aimless* explores emotions      *Sawbill* Jennifer Case,2018-03-01 In *Sawbill* Jennifer Case watches her family suddenly exchange their rooted existence for a series of relocations that take them across the United States In response Case struggles to live in place without a geographical home a struggle that leads her to search for grounding in the now dismantled fishing resort her grandparents ran in northeastern Minnesota By chronicling her migratory adulthood alongside the similarly unpredictable history of *Sawbill* Lodge this memoir offers a resonant meditation on home family environment and the human desire for place in the inherently mobile twenty first century      **Echoes in the Interlude** Victor Guarino,2019-05-05 The second volume of a poetic journey through upheaval loss and renewal You may read some of these poems and think you know what they are about I assure you that you do not If you are going to embark on this journey with me please do so with no preconceived notions and allow these simple words to wash over you and speak to you whatever they will      **Airborne Again My September Soul** Jean Elizabeth, Poet Laureate Ward,2008-08-02 NAANI POETRY is one of India s most popular Telugu poems Naani means an expression of one and all It consists of 4 lines the total lines consists of 20 to 25 syllables The poem is not bounded to a particular subject Generally it depends upon human relations and current statements This poetry was introduced by one of the renowned Telugu poets Dr N Gopi presently working as vice chancellor to Telugu University Andhra Pradesh The author has inserted a tribute series of poems to Ms Loretta Lynn in this book and several illustration framable and sure to please      *I See You* Akanksha Ganguly,2023-01-21 Travel through the world of poetry from a child s eyes these poems reflect stories of the past and of those in the now present These poems are a reflection of and a peek into the author s life      **Whispers of Never** Kelly Christina Kunde,2012 *Whispers of Never* is a collection of poetry that delves into the most profound senses of loss pain and loneliness Many of the poems reflect the pain that was a result of years of abuse neglect loss and betrayal The writings are brutally honest and are not designed to make light of the many atrocities experienced by the author In this book the reader is forced to look into the raw pain and devastation so clearly portrayed by the author s use of words Many readers will find similar feelings and fears within themselves though perhaps to a lesser degree Every life has loss and adversity which will help each reader relate to the images and feelings created within this collection of works Mixed throughout the book are poems written from a place of healing acceptance and survival Hope can be glimpsed and felt in the midst of the darkness There are messages of beauty and recovery conveyed in more light hearted pieces This book does not follow a linear route

from hurting to healing from longing for death to fighting ferociously for survival Rather it is presented in a chronological order by date of creation You will clearly be able to see that healing and recovery is not made with steady forward progress but follows the constant struggle with depression into an appreciation of beauty and life Many individuals from backgrounds similar to that of the author experience some or all of the same overwhelming thoughts and feelings expressed throughout this book Many like the author do not frequently speak freely about these feelings and thoughts for fear of driving others away or frightening them As a society in general we are told to get over it and move on something much more easily said than done Having already experienced ultimate judgments and labels this author no longer fears telling it like it is She urges you to take this part of her journey with her to understand and acknowledge the devastating pain one person can inflict upon another all while keeping in mind that there is hope and there are beautiful people who will reach out if only you dare take their hands This body of work was created in a relatively short two year time span and truly reflects the rollercoaster of feelings and insights experienced in the face of deep depression and hopeful healing

Bohemian Love Diaries Slash Coleman, 2013-07-16 Infused with southern charm this irresistibly weird and wonderful story chronicles Slash Coleman's upbringing in a warped but warm hearted household of eccentric artists Descended from a posse of off beat immigrants including a grandfather who danced at the Moulin Rouge and raised near the capital of the Confederacy during the 1970s and 80s young Slash sets out to find true love Unfortunately he's his own worst enemy Obsessions with Evel Knievel rock band KISS and crisscrossing the country to find the girl of his dreams set his quest for happiness on a hapless course Hilarious and profound Coleman slowly comes to terms with his father a genius sculptor and volatile alcoholic and his mother a Holocaust survivor who makes him promise never to reveal that he's Jewish A touching portrait emerges of a young artist whose passionate spirit refuses to be suppressed A swift kick to the funny bone The Bohemian Love Diaries and its laugh out loud perversity conjure Jonathan Ames and Augusten Burroughs with a tender edge revealing what might have happened if John Hodgman raised Holden Caulfield in Chuck Palahniuk's attic It will leave you howling

**Life or Thirty** Teresa Cash, 2023-02-09 Life or Thirty is a book that addresses a specific choice that we all must make Do we choose to partake of the tree of life and have eternal life with our Father in heaven Or do we choose to partake of the god of money and have eternal life in the lake of fire In our society today everything is all about money How much money one has or doesn't have defines who a person is right Well in the world we live in today that's exactly what many have been deceived into believing Believing to the point that money has become many people's god whom they love worship and serve Life or Thirty is a book meant to awaken one's very soul to the fact that a person can serve two masters Either he will hate the one and love the other or he will be devoted to the one and despise the other You cannot serve both God and money Matthew 6:24 NIV
