

Elements of Fiction

All fiction stories have the same basic elements.

Plot

The plot refers to the events that take place in the story. Most events in a fictional story follow the story mountain.

Setting

The setting is where the story takes place. It helps the reader picture where the characters live and the location of the events.

Characters

The characters are the people in the story. There is usually a good character and a bad character in each story.

Conflict

All good fictional stories have a conflict. Usually it is a problem between two of the characters.

Theme

The theme is the overarching message or lesson the author is trying to teach the characters and the reader. It is usually a big idea.
