Underwater Medicine and Related Sciences Margaret F. Werts, Charles W. Shilling, 2012-12-06 This volume is the third annotated bibliography on this subject area to be compiled by these authors The first published by Gordon and Breach

Science Publishers in 1971 was entitled AN ANNOTATED BIBLIOGRAPHY ON DIVING AND SUBMARINE MEDICINE It covered material published during the 1960 s The second volume entitled UNDERWATER MEDICINE AND RELATED SCIENCES A GUIDE TO THE LITERATURE published in 1973 by Plenum Press covered primarily material published during 1970 and 1971 with some material from 1968 and 1969 The present volume covers material published during 1972 and 1973 but here again some earlier material has been included The purpose of these annotated bibliographies is to make available a large proportion of the published material in abstract form indexed in such a manner as to make it possible to compile a reasonably complete annotated bibliography on any specific subject area in the field It is possible thus to learn where the work is being done by whom and how extensively Also it becomes obvious what areas of research are lacking or inadequate These specific searches can also form a background of reference material on which to base further research or from which to write monographs or state of the art surveys Papers articles and reports listed here are in most cases readily available

Arctic Systems P. Amaria, 2013-03-09 For the purpose of publication of these Proceedings the original conference programme has been rearranged to provide a more logical sequence of presentation The beginning sections give the inaugural speech and the six keynote addresses which were delivered at the opening plenary session Following these are the working papers published more or less in the same sequence in which they were presented in the original programme The order of presentation does not necessarily emphasise the importance of any one aspect of the Arctic Systems over others The final reports of the six working groups and their conclusions and recommendations are edited in such a manner as to present them in a standardised format for easy comprehension The editors accept responsibility for any distortion inadvertently introduced in the summarising and editing processes Later sections of the Proceedings give a background to the Conference organization and deliberations and an independent critique of the meeting The directors and those who attended the Conference were conscious of the debt of gratitude owed by them to the Conference chairmen rapporteurs authors of working papers and many individuals for their contributions to the success of the meeting We wish to thank them and it is a pleasure to record their names in these Proceedings Inaugural Speaker Dr J Rennie Whitehead Canada Banquet Guest Speaker Honourable Mr T Alex Hickman Canada Keynote Addresses Mr C Bornemann Denmark Dr A E Collin Canada Dr R E Francois U S A
