Ideals In Verse:

Ideals of American Poets Watson Boone Duncan,1927 **Ideals in Verse** Cornelius Cole,1924 *American Poetry: The Modernist Ideal* Clive Bloom,Brian Docherty,1995-09-12 Tracing its origins back to Walt Whitman the Modernist tradition in American poetry is driven by the same concern to engage with the world in revolutionary terms inspired by the concept of democracy vital to the American dream But this tradition is not confined to a few writers at the beginning of the century instead it has been an enduring force extending from coast to coast and of varying hues Imagist Objectivist Beat International in flavour but shaped by the language and conditions of America this poetry continues to speak to us today This collection of specially commissioned essays brings together leading scholars and critics to define the American Modernist canon providing a range of perspectives helpful to all those interested in this fascinating poetry The Overland Monthly ,1914 *Selected Poems of August Strindberg* Lotta M. Löfgren,2002 August Strindberg 1849 1912 was one of the great innovators of modern drama as well as a novelist poet and master of the Swedish language In this collection *Selected Poems of August Strindberg* editor and translator Lotta M Lofgren has chosen poems from all three volumes of Strindberg s verse *Poems in Verse and Prose* *Sleepwalking* *Nights on Awake Days* and *Word Play and Minor Art* to illustrate to the English speaking reader the development strengths and versatility of Strindberg the poet Lofgren explains Although August Strindberg is internationally acknowledged as a pioneering realist expressionist and surrealist playwright his poetry is still relatively unknown outside Sweden The only English translation of his poems to date is the 1978 translation of *Sleepwalking Nights* by Arvid Paulson that gives an incomplete and misleading picture of Strindberg s poetry Lofgren s translation seeks to correct that picture Strindberg s stature as a dramatist alone may be adequate justification for offering a translation of his verse but his poetry stands well on its own All three volumes broke new ground and paved the way for younger generations of poets Lofgren hopes that her translation will not only introduce Strindberg s verse to English speaking readers but will also inspire other scholars to revisit his poetry and give it the attention it deserves *Selected Poems of August Strindberg* received the American Scandinavian Foundation s Translation Prize *Overland Monthly and Out West Magazine* Bret Harte,1914 The Church School Journal ,1899 **A CRITICAL BIOGRAPHY OF MU DAN (ZHA LIANGZHENG)** Wang Hongyin,2022-08-09 Zha Liangzheng 1918 1977 better known by his pen name Mu Dan was a Chinese poet laureate and remarkable translator Via mutual attesting of poems and history and with a multitude of letters reminiscent documents and poems *A Critical Biography of Mu Dan Zha Liangzheng A Poet and a Translator* genuinely represents the life of Mu Dan known as a member of Jiuye School against macroscopic academic view and broad historical backgrounds The school of poetry marks the maturity of Chinese modernist literature and indicates the peak of the development of new poetry in China The book reviews the glorious achievements of Mu Dan s new poetry writings confirms his contributions to Chinese translations of Russian poems and British romanticism poems as well as modernist poems Moreover the author spares no

efforts to delineate numerous noticeable colonies of Chinese poets and historical figures such as Mao Zedong Zhou Enlai Yu Youren and Sun Liren In the monograph the diachronic and synchronic descriptions are both elaborate and unambiguous and the historical narratives are both sincere and magnificent Together with abundant and subtle emotional expressions A Critical Biography of Mu Dan Zha Liangzheng A Poet and a Translator is an artistic and academic biographic monograph

Contemporary Verse ,1929 The Dynamics of Criticism in T.S. Eliot Mohammad Hanief,2000 The Book Is The Most Authentic One Ever Written On The Subject Apart From Its Wide Ranging And Usually Inaccessible Materials It Has Been Written In Such A Lively And Fluent Style That It Ravishes Both The Uninitiated And The Expert The Common Reader And The Scholar Besides Having Functional Utility For Examinations Interviews And Competitions And Elite Occasions It Is A Source Of Critical Strength And Ideas For Any Reader Of Taste And Interest Irrespective Of His Particular Language Literature And Department Mohammad Hanif Has Made A Diligent Collection Of Material From And About T S Eliot S Critical Writings And Has Arranged It Straightforwardly In Eight Chapters On The Sources Of Eliot S Ideas On His Views About Poetry Criticism Drama And The Novel And His Style Is Lively Clear And Forceful On The Whole He Roused By Attention By Some First Hand Observation On A Point Of Detail For Instance Eliot And Benda On Eliot S Possible Debt To Pater And On Eliot S Humour The Inclusion Of Chapter 6 On Eliot S Criticism Of The Nover Is Welcome And Mr Hanif Does Show That Eliot Ranged Widely In This Department Of Literature **Circumscribing the Prostitute** Mary E.

Shields,2004-01-01 In Jeremiah 3 1 4 4 the prophet employs the image of Israel as God s unfaithful wife who acts like a prostitute The entire passage is a rich and complex rhetorical tapestry designed to convince the people of Israel of the error of their political and religious ways and their need to change before it is too late As well as metaphor and gender another important thread in the tapestry is intertextuality according to which the historical political and social contexts of both author and reader enter into dialogue and thus produce different interpretations But as Shields shows in her final chapter it is in the end the rhetoric of gender that actually constructs the text providing the frame the warp and woof of the entire tapestry and thus the prophet s primary means of persuasion Standing for God's Ideal Randy Langham,2019-08-28 The

libraries counseling offices and even pastors have a variety of viewpoints on divorce and remarriage When you study these sources you may discover two common approaches they give for deriving their conclusions One popular approach comes from the personal experiences of the authors or from the experiences of those close to them For many authors who are Christians additional scientific research and Bible verses are added Another popular approach comes from ministers and or biblical scholars who evaluate the dozen or so scripture passages directly related to divorce The authors suggest a biblical understanding of marriage and divorce which comes from the study of these selected passages Then you come across this book The approach of this book is very different The first part of the book pursues where truth originates This becomes the foundation for building any faith structure The next phase of the book looks at the big picture of truth and how it relates to

life and eventually to aspects of marriage After presenting the big picture the book moves to the third phase which looks at the details of some related passages In addition to a focus on the true source of truth and a focus on the macroscopic in balance with the microscopic the book adds another unique feature fallacies Thirty four fallacies expose many false beliefs that are common today May you look beyond the black and white perspectives of dos and don ts and move to the life of living color which God makes available to each of us when we put our trust in him and choose to stand for God s ideal His principles for life are practical and not a bunch of rigid rules His truths lead us to an abundant life filled with relevance

Ideal Islamic Economy Abbas Mirakhor,Hossein Askari,2017-08-11 This book provides an introduction to the vision of an economic system based completely on the Holy Qur an a system defined as a collection of institutions representing rules of behavior prescribed by Allah for humans and the traditions of the Messenger The authors argue that the main reason for the economic underperformance of Muslim countries and their economies has been non compliance with the prescribed rules of behavior Rule non compliance has been chiefly due to the failure of Muslims to comprehend the Metaframework of the Qur an and the Archetype Model of the Prophet Mohammad and interpret them in ways compatible with their own generation and time Askari and Mirakhor believe these rules institutions properly adapted to prevailing conditions present what they consider as an ideal economic system

The Ultimatum Ahmet Kurucan,2024-02-09 Certain verses in the Qur an and traditions of Prophet Muhammad peace be upon him are abused by extremists to legitimize their acts of terrorism and violence On April 21 2018 the French daily Le Parisien published a manifesto demanding that the verses of the Qur an calling for murder and punishment of Jews Christians and nonbelievers be struck to obsolescence by religious authorities so that no believer can refer to a sacred text to commit a crime The manifesto was signed by some prominent figures including former President Nicolas Sarkozy The manifesto is an indication of how much the Qur an is misunderstood and the grave need for the clarification in the meaning of the scripture especially in matters that relate to violence In the light of the context of revelation and the universal purposes of Islamic message this book aims to explain certain verses Al Baqarah 2 190 195 At Tawbah 9 1 24 An Nisa 4 88 89 and a particular hadith of Prophet Muhammad peace be upon him which are intensely debated and abused

Mithraic Societies: From Brotherhood Ideal to Religion's Adversary Abolala Soudavar,2014-02-10 Although by its title this book seems to be about a specialized topic the spread of Mithraic societies and its avatars in time and geographical expanse enhances its relevancy From Roman legionaries to chivalry orders from dervish circles to guild organizations and from Freemasons to French revolutionaries the hierarchy of Mithraic societies

their initiation rites and their oaths of secrecy provided a model for brotherhood organization that was efficient but also flexible They could adapt their philosophy to the prevailing politico religion conditions of the day because they did not worship any particular god but could also be comrades in arms with nascent religious movements such as with Christianity Mithra was the initial guarantor of their oath and if need be it could be replaced by Jesus Allah or any other divinity Their religion was their brotherhood and as such they usually provided a counter balance to the power elite and had the potential to become politically active

Reclaiming the Old Testament for Christian Preaching Grenville J. R. Kent, Paul J. Kissling, Laurence A. Turner, 2013-04-06 2011 Preaching Today Magazine Book Award winner The Old Testament is filled with intriguing characters stories and themes But preaching from its remote historical context wrapped in sometimes unfamiliar literary genres and narrative devices can be daunting Based on the conviction that the Old Testament texts are a vital and dynamic part of the Christian canon and pertinent to Christian practice this stimulating volume offers guidance for expository preaching and practical suggestions for understanding the message of its diverse literature The chapters cover narrative plot characters genre and preaching from difficult texts The book concludes with a vital chapter on preaching Christ from the Old Testament which offers a theological account of biblical interpretation without unnaturally forcing the texts The contributors are internationally respected evangelical Old Testament scholars from a wide range of church traditions and global regions who are also active in preaching Daniel I Block David G Firth Grenville J R Kent Paul J Kissling Alison Lo Tremper Longman III Ernest C Lucas R W L Moberly Laurence A Turner Frederico G Villanueva Gordon Wenham H G M Williamson and Christopher J H Wright Here is a book that will help you use all of the Bible s rich resources in preaching the good news of the global kingdom of God *Current Literature* ,1896 Emerson as Poet Hyatt Howe Waggoner, 2015-03-08 Since Yvor Winters famous denunciation of Ralph Waldo Emerson and his writings in the 1930s major critics have been silent on the subject and Emerson scholars have generally avoided critical evaluation Hyatt H Waggoner reopens the debate arguing that past criticism of Emerson has been limited by the inevitable but unfortunate influences of cultural relativism and personal taste He suggests that by concentrating on the stabilities on the recognizably similar patterns of response by critics to Emerson as poet one can arrive at a portrait that transcends changing cultures and preferences His book thus combines a full critical re evaluation of Emerson s poetry with a thoughtful commentary on the ways in which critics and readers approach poetry Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
