Taking down the Demonic Realm Bill Vincent, I m not a demon hunter and I don t believe we ll be eaten by all things demonic This could not be further from the truth I m writing this book because I ve had to deal with the demonic when it s come into contact with me To advance to the next level I needed to break through If we are bringing God s Kingdom to the Earth it would be absurd for us to believe we will not have to deal with the demonic realm Every time I confronted a challenge God rewarded me with enlightenment that enabled me to overcome Those revelations are being passed on to you You are to be a Lord s fighter Are you prepared for it Every day a large number of Christians are pursuing the devil When Satan s diabolical domain prevents me from moving forward I go after the enemy We are not to pursue the devil himself according to the Bible We are to foil his plots and devilish schemes There s no need to be afraid of the adversary because Jesus is alive and He who lives in us is greater than he who lives in the world 6 11 Ephesians Put on the complete armor of God so that you can stand against the devil s schemes This book will take you on a journey through some of the most powerful demonic entities ever encountered I understand that as you begin to read this book the enemy may try to persuade you not to finish it Press on and open your heart as you receive God s mysteries of the Demonic Realm if you wish to be a competitor for God s Glory God is assembling his army and preparing us to face whatever the devil has in store to prevent us from bringing the Kingdom of Heaven on Earth May the insights of the Demonic Realm bless you as you read this book

*The Consecrated Cocoon* Ann Thomas,2012-03 Ever paid attention to a picture of a caterpillar in a cocoon Ever wondered what s going on inside as she s changing from a crawling not so attractive creature to one that s beautiful and soars I ll tell you what s happening The same thing that occurs when God draws us into a lonely place of intimate isolation to prepare us for radical and life transforming changes The caterpillar s internal and external features are undergoing drastic changes She loses everything that s no longer needed when she becomes a butterfly Among many changes is the loss of her mouth and feet while she gains more eyes Hanging upside down in total surrender to the process the old things are dying off to make room for the new And so it is with you and me when God s about to transform us into the women we desire and were created to be We must lose our mouth not speak against what God is doing our feet remain in the process and gain eyes to see things from God s perspective The caterpillar s old cells represent our sin and unhealthy baggage that God must remove such as bitterness lack

of self worth shame pride and unforgiveness These must go to make room for what the butterfly needs to soar We initially hate and even fight the process of retreating to our spiritual cocoon only to find an intimacy love and power we never knew existed Yes God draws us into isolation but once we stop kicking and screaming and surrender we realize that we yearn to be with God as much as He desires to be with us When God has His perfect way in the process we emerge more powerful than we could have imagined ready to pursue our God given purpose and destiny

*Prayers That Break Curses* John Eckhardt, 2009-12-16 Is your life characterized by continual setbacks and misfortune Does it appear as though no matter what you do you cannot seem to obtain the blessings of the Lord You could be living under a curse Unfortunately there are still many believers living under curses even though they have been legally redeemed Just as a believer may have to fight a good fight of faith for healing he or she may also have to fight a good fight of faith against curses Satan may not have a legal right to enforce a curse against you but he is an outlaw and will attempt to do so anyway Therefore curses oftentimes have to be broken and you must learn how to stand in faith against those curses keeping them from operating in your life The promises God gives us in the Bible are not automatic They must be believed and often fought for You don't have to fight God for His promises He is not keeping them back from you But you must contend with the Adversary who is trying to prevent you from receiving and walking in God's promises Written in the style of *Prayers That*

Rout Demons this second book in the series contains information about curses and sentence declaratory prayers to break the power of curses from your life
