Information Retrieval Applications To Political Science:

Information Retrieval Kenneth Janda,1968   Proceedings ,1967   *Political Parties in the Digital Age* Guy Lachapelle,Philippe Maarek,2015-07-01 The Internet and social media may initially have been understood as just one more instrument politicians could employ to manage without political parties However these media cannot be reduced to being a tool available solely to politicians The electronic media make reinforcement of the glocalization of the public and political sphere a process already set in motion with the advent of television and they can develop the trend even further Political parties are therefore once again becoming indispensable they are in an unparalleled position to recreate social and political bonds for only they stand both at the center and on the periphery of the new sphere encompassing public and political life TABLE OF CONTENTS New Technologies Helping Political Parties and the Democratic Processes or Threatening Them Guy Lachapelle and Philippe J Maarek Part I The Integration of Technological Innovations in the Practices of Parties and Citizens Innovations in Information Technology in American Party Politics Since 1960 Kenneth Janda Internet Social Media Use and Political Participation in the 2013 Parliamentary Election in Germany Reimar Zeh and Christina Holtz Bacha Part II The Consequences of New Technologies on Activism The Decline of Activism in Political Parties Adaptation Strategies and New Technologies Eric Montigny Party Activists and Partisan Communication in Quebec Isabelle Gusse Part III The New Role Played by Social Networks Changing Communications Political Parties and Web 2 0 in the 2011 New Zealand General Election Ashley Murchison Social Media and American Presidential Campaigns The Dark Side of the Electoral Process Karine Premont and Charles Antoine Millette Part IV The Resilience of the Printed Press in the United Kingdom The United Kingdom Independence Party UKIP and the British Press Integration Immigration and Integrity David Deacon and Dominic Wring Part V New Technologies and Leadership Evolution Political parties and the Internet changes in society changing politics the case of the Parti Quebecois Guy Lachapelle Political communication electronic media and social networks in France Philippe J Maarek Index of Proper Nouns   Papers and Discussions Presented ,1967   **NBS Special Publication** ,1968

　　Cluster Analysis for Applications Michael R. Anderberg,2014-05-10 Cluster Analysis for Applications deals with methods and various applications of cluster analysis Topics covered range from variables and scales to measures of association among variables and among data units Conceptual problems in cluster analysis are discussed along with hierarchical and non hierarchical clustering methods The necessary elements of data analysis statistics cluster analysis and computer implementation are integrated vertically to cover the complete path from raw data to a finished analysis Comprised of 10 chapters this book begins with an introduction to the subject of cluster analysis and its uses as well as category sorting problems and the need for cluster analysis algorithms The next three chapters give a detailed account of variables and association measures with emphasis on strategies for dealing with problems containing variables of mixed types Subsequent chapters focus on the central techniques of cluster analysis with particular reference to computational considerations

interpretation of clustering results and techniques and strategies for making the most effective use of cluster analysis The final chapter suggests an approach for the evaluation of alternative clustering methods The presentation is capped with a complete set of implementing computer programs listed in the Appendices to make the use of cluster analysis as painless and free of mechanical error as is possible This monograph is intended for students and workers who have encountered the notion of cluster analysis   *Political Change* David E. Apter,2012-11-12 Published in the year 1973 Political Change is a valuable contribution to the field of Politics The problem in the social sciences has been to improve the quality of the relationship between the creative and didactic sides and produce more interesting and verifiable hypotheses and propositions The literature dealing with this problem has grown and become increasingly technical This collection of essays are between creativity and didactics Some are experiments in the mind as it were plundering history for purpose Others seek criteria for a politics of development Still others are more analytical seeking criteria for theory as in the articles on political studies and on political systems In all however there is a common thread the creation and use of intermediate categories and their applications to real life historical or contemporary development situations   *Turkish Politics and the Rise of the AKP* Arda Can Kumbaracibasi,2009-09-10 The Justice and Development Party AKP has been in power since 2002 This book charts the rise and development of the most successful party with an Islamic background in the history of the Turkish Republic party from its roots through to government analysing in particular its internal organisation and dynamics   *Information Systems* ,1970   *Computer Science in Social and Behavioral Science Education* Daniel Edgar Bailey,1978   This Changing World Foreign Service Institute (U.S.).
