Is It Just Me? Grace Valentine,2021-02-09 Have you ever wondered if you re the only one who s hurt struggling lonely and confused It s not just you Grace Valentine wants you to know one thing for sure You re not alone in your struggle You re not the only one feeling freaked out by the future You re not the only one dealing with crap You re not alone Many women joke about having trust issues laughing at their struggle because it feels common but secretly feeling there is no hope Grace Valentine was one of them In her twenties she realized her trust issues were not humorous because in reality hers were trust issues with Jesus her community her family and herself And they were destroying her faith Grace told herself she was simply being realistic but the truth was she was entangled with doubt and lies In Grace s second book *Is It Just Me* she ll walk you through how to handle rejection stop joking about your issues and find peace and healing for your scars by answering five deeply felt questions Am I the only one who is tired overwhelmed doubting and fearful Am I the only one who feels hurt and lonely Am I the only one who still is struggling to find my purpose Am I the only one struggling to trust that God is there Am I the only one confused about how to be an adult Grace s prayer is that as you journey with her through early adulthood you ll remember you have a Savior who loves you flaws and all By learning to trust in God s design and His plans for your future you ll find you have everything you need to thrive in your twenties and beyond

she's afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can't save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole's former law school chum and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole's boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole's harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole's secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late

LAST STAND of the WOLVES CJ Candel, 2012-07-30 A rare divine intervention occurs that enables the spirits of wolves that were killed 100 years ago to manifest themselves in a wooden structure that was made by a sheepherder the man responsible for their deaths back in the early 1900 s This wooden structure is amongst the items belonging to this sheepherder that were kept in his shed after he d been dead for many years The property is being sold so the contents of what is left in this shed after being vandalized is sorted and the trash is hauled off to the city dump On the way there the stand is intercepted by the niece of this sheepherder who claims it only because it has sentimental value She is unaware that the spirits of 31 wolves inhabit this stand that have cleverly chosen her as their medium at a time when their own species is endangered by extinction despite the laws that were established to protect them They are back 100 years into the future to assure their survival and proclaim their rights to live They make themselves visible to her which totally consumes her every day life in order to make a stand She seeks the guidance of a tribal medicine man his image visible with the steam of her shower in her vanity mirror that leads her to him The Spirit wolves are only here to save their species from extinction when the wolf population is down to only a few known survivors in the year 1998 She meets the man in the mirror who is a tribal medicine man who knows all about her and her obligations to save the wolves Together they summon the spirit wolves and send them back to where they came This story is sure to captivate audiences with its abundance of human emotion and supernatural activity that sets off any imagination with the possibility of its true existence in our world today and based on a true story Their message is a warning to mankind that time is of the essence Our last chance to unite as one

working together to protect all wild creatures of the earth and the correlation between preserving their existence and saving our own planet from permanent destruction The year is 2012 and time is of the essence According to the calculations of the Mayan Calander the end is near **Deacon's Soetry** Joshua R. Gautreau,2014-11-18 This book is based upon life experiences through ups and downs of any and every situation through every relationship through all different life occasions and what they have to offer Whether it be a holiday or just a normal average day or night These times of experiences are very detailed and described through song and poetry as one in which I like to call and proclaim as soetry Song and poetry are nearly the same thing The only difference is adding music to the words of either to create a poetic song that tells us all a story of an event in lifes circumstances through what has taken place Music song and poetry has always been part of my life and I believe has been passed down from generation to generation throughout my family unto myself for me to be able to create and present something as to the world today through the book that youre reading Everything that we go through and experience in life is meant to be Some events are great others not so much We always learn lifes lessons through the failures that we come across Although sometimes not so pleasant we all must experience these not so pleasant events in life to learn from them to get to where we are in what I like to call the Growing and Going Process into the direction of learning from them And if somehow we dont the lesson of life will repeat itself until we do learn so we can make it further in life to have great accomplishments We all have a future a purpose and a plan whether we see it or choose to accept it or not Ghost Scout's Honor Carey Blankenship-Kramer,2025-04-01 A thrilling ghostly adventure and a testament to the power that kids have to change the world Defiance holds power The Ghost Scouts were created to keep the ghosts of Savannah in line It s an honor to serve Evey s never wanted anything to do with ghosts but after best friend Laura dumps her for no reason Evey wants revenge To take the student of the year award from her ex bestie she ll have to join the Ghost Scouts She ll be the best Ghost Scouts Savannah has ever seen Only this year the ghosts seem different They are angrier than usual and they seem to be growing in power No problem Evey can get to the bottom of why and send all the ghosts back to their cages But what she uncovers makes her angry too What if the ghosts don t deserve to be caged What if they have every right to be furious

Lost Children of the Empire Philip Bean,Joy Melville,2018-03-14 Originally published in 1989 The extraordinary story of Britain s child migrants is one of 350 years of shaming exploitation Around 130 000 children some just 3 or 4 years old were shipped off to distant parts of the Empire the last as recently as 1967 For Britain it was a cheap way of emptying children s homes and populating the colonies with good British stock for the colonies it was a source of cheap labour Even after the Second World War around 10 000 children were transported to Australia where many were subjected to at best uncaring abandonment and at worst a regime of appalling cruelty Lost Children of the Empire tells the remarkable story of the Child Migrants Trust set up in 1987 to trace families and to help those involved to come to terms with what has happened But nothing can explain away the connivance and irresponsibility of the governments and organisations involved in this
