Her life though is the prototypical story of an immigrant's difficult path through the prejudices of American culture. Born in Los Angeles in 1905 she was the second daughter of seven children born to a laundryman and his wife. Childhood experience fueled her fascination with Hollywood. By 1919 she secured a small part in her first film *The Red Lantern* and she continued to act up until her death. Her most famous film roles were in *The Toll of the Sea*, *Peter Pan*, *The Thief of Baghdad*, *Old San Francisco* and *Shanghai Express*. But discrimination against Asians in both in the film industry and society was commonplace and when it came time to make a film version of Pearl Buck's *The Good Earth* she was passed over for the Chinese female lead role which was ultimately given to the white actor Luise Rainer. In a narrative that recalls the pathos of life in Los Angeles's Chinese neighborhoods and the glamour of Hollywood's pleasure palaces, Graham Russell Gao Hodges recovers the life of a Hollywood legend.

The Controversial Bernborough William Stokes, 2021-01-19. The story of Bernborough is an uplifting one, decked with highs and lows, focused around the life of a phenomenal Australian racehorse. Played out from the beginning of World War II, the story includes several colourful characters along the way. Bogus records a ring in massive betting coups, suspense, controversy and intrigue all feature around Bernborough. The racing stewards in Brisbane, Sydney, Melbourne and Newcastle repeatedly banned him from competing at their racetracks. Only in postwar Australia was he allowed to perform on the metropolitan racecourses. Then, within months, this amazing galloper set the nation agog. An enigmatic hero, Bernborough rapidly became a household name without anyone ever knowing all that was involved. When he was later booked for stud in Kentucky, his sale to Louis B. Mayer from MGM studios was also loaded with never-ending controversy.
