## **Lone Star Sourcebook:**

**Lone Star** Nigel D. Findley, Stephen Atkins, FASA Corporation, 1994-04-01 *Lazarus Sourcebook Collection Vol. 1* Greg Rucka, Neal Bailey, David Brothers, Robert Mackenzie, Gareth-Michael Skarka, 2018-04-25 Collecting the first three LAZARUS SOURCEBOOKS covering the lands ruled by Carlyle Hock and Vassalovka now in one volume With revised and expanded content including additions to reflect developments in LAZARUS as the series moves into the year X 67 with FRACTURE beginning summer of 2018 Lazarus Sourcebook #1 Greg Rucka, 2016-04-20 CARLYLE Following the revelations of Poison and leading into the bloody events of Cull with LAZARUS 22 in May a new look at the world of LAZARUS What s it like to live life under the Carlyle regime This is where you find out The Ultimate Guitar Sourcebook Tony Bacon, 2012-10-12 A stunning visual guide to the history and development of all types of guitars packed with detailed information and profiling everything from the legendary Martin flat tops to Gibson s arch tops guitars and Fender s twelve string electrics The Ultimate Guitar Sourcebook is divided by type into nine chapters each telling the full story of a major type of guitar It is sub divided geographically so the reader gets a global picture of guitar making from the United States to the Far East and from Europe to Australia The introduction examines the development of the world s most popular instrument over the years Emerging Infectious Diseases Sourcebook, 1st Ed. James Chambers, 2019-05-01 Provides basic consumer health information about the immune system facts about the spread of disease information on emerging infectious diseases international travel guidance diagnostic tests treatment methods and prevention and vaccination programs along with reports on current research initiatives and additional resources **Postsecondary Sourcebook for Community Colleges, Technical, Trade, and Business Schools Index of Majors and Sports**, 2010-12 Blacks in Blackface: A Sourcebook on Early Black Musical Shows Henry T. Sampson, 2013-10-30 Published in 1980 Blacks in Blackface was the first and most extensive book up to that time to deal exclusively with every aspect of all African American musical comedies performed on the stage between 1900 and 1940 An invaluable resource for scholars and historians focused on African American culture this new edition features significantly revised expanded and new material In Blacks in Blackface A Sourcebook on Early Black Musical Shows Henry T Sampson provides an unprecedented wealth of information on legitimate musical comedies including show synopses casts songs and production credits Sampson also recounts the struggles of African American performers and producers to overcome the racial prejudice of white show owners music publishers theatre managers and booking agents to achieve adequate financial compensation for their talents and managerial expertise Black producers and artists competed with white managers who were producing all Black shows and also with some white entertainers who were performing Black developed music and dances often in blackface The chapters in this volume include An overview of African American musical shows from the end of the Civil War through the golden years of the 1920s and 30s New and expanded biographical sketches of performers Detailed information about the first producers and owners of

Black minstrel and musical comedy shows  
 Origins and backgrounds of several famous Black theatres  
 Profiles of African American entrepreneurs and businessmen who provided financial resources to build and own many of the Black theatres where these shows were performed  
 A chronicle of booking agencies and organized Black theatrical circuits  
 music publishing houses and phonograph recording businesses  
 Critical commentary from African American newspapers and show business publications  
 More than 500 hundred rare photographs  
 A comprehensive volume that covers all aspects of Black musical shows performed in theatres nightclubs circuses and medicine shows  
 this edition of Blacks in Blackface can be used as a reference for serious scholars and researchers of Black show business in the United States before 1940  
 More than double the size of the previous edition  
 this useful resource will also appeal to the casual reader who is interested in learning more about early Black entertainment

The Training and Development Sourcebook Craig Eric Schneier, 1994  
 Included are 50 of the most important articles written by leading practitioners in the training field  
 Also includes over 50 fully reproducible training tools and instruments that will save you valuable time in new program development and delivery

**Rosamund's Bower**  
 Susan McGeown, 2007-09-01  
 For Thomas bastard by birth the opportunity to fight and serve the King was an honor he should never have expected but by chance received  
 For Rosamund her beauty was renowned yet it was her faith that was her strength  
 Life in the 12th century when King Henry II ruled was a time when responsibilities and obligations were your birthright and honor demanded you saw them through to the end  
 As Thomas and Rosamund struggle in the separate paths of their lives the complications of politics and war and hatreds and revenge swirl around them making every forward step seemingly impossible  
 And then things get even worse for they fall in love  
 Could it really be that the path most difficult to follow is the only one worth choosing

*Family Life in The Middle Ages* Linda E. Mitchell, 2007-08-30  
 Mitchell takes a regional approach in exploring the lives of families in the Middle Ages  
 Starting with the late Roman families the first five chapters explore the roles of family members defined by tradition and law  
 what constituted a legal marriage and a family to whom the children belonged and who was included in the extended family  
 The remaining chapters delve into daily family life homes of various social classes and the division of labor both maintaining the home and family based labor such as agriculture banking manufacturing of goods and mercantile activity  
 Religious cultures of the medieval world varied but all often included oblation of children to monasteries religious ceremonies for life stages and family obligations in the religious culture  
 Birth death and inheritance all affected the family and new families were often formed from previous generations and defunct family lines  
 Non traditional families included family structures advocated by heretical groups the Cathars and the Beguines families created without marriage concubinage relationships and those that developed as a result of social and environmental stresses the Black Death war and natural disasters  
 Perfect for students studying the Middle Ages and medieval life this work provides a clear and engaging narrative on the day to day lives of the family  
 Reference resources include a timeline sources for further reading photographs and an index  
 Volumes in the Family Life Through History series

focus on the day to day lives and roles of families The roles of all family members are defined and information on daily family life the role of the family in society and the ever changing definition of the term family are discussed Discussion of the nuclear family single parent homes foster and adoptive families stepfamilies and gay and lesbian families are included where appropriate Topics such as meal planning homes entertainment and celebrations are discussed along with larger social issues that originate in the home like domestic violence child abuse and neglect and divorce Ideal for students and general readers alike books in this series bring the history of everyday people to life

The Fall of the House of Roosevelt Michael Janeway, 2006 In the 1930s a band of smart and able young men some still in their twenties helped Franklin D Roosevelt transform an American nation in crisis They were the junior officers of the New Deal Thomas G Corcoran Benjamin V Cohen William O Douglas Abe Fortas and James Rowe helped FDR build the modern Democratic Party into a progressive coalition whose command over power and ideas during the next three decades seemed politically invincible This is the first book about this group of Rooseveltians and their linkage to Lyndon Johnson s Great Society and the Vietnam War debacle Michael Janeway grew up inside this world His father Eliot Janeway business editor of Time and a star writer for Fortune and Life magazines was part of this circle strategizing and practicing politics as well as reporting on these men Drawing on his intimate knowledge of events and previously unavailable private letters and other documents Janeway crafts a riveting account of the exercise of power during the New Deal and its aftermath He shows how these men were at the nexus of reform impulses at the electoral level with reform thinking in the social sciences and the law and explains how this potent fusion helped build the contemporary American state Since that time efforts to reinvent government by brains trust have largely failed in the U S In the last quarter of the twentieth century American politics ceased to function as a blend of broad coalition building and reform agenda setting rooted in a consensus of belief in the efficacy of modern government Can a progressive coalition of ideas and power come together again The Fall of the House of Roosevelt makes such a prospect both alluring and daunting

**Texas Tough** Robert Perkinson, 2010-03-11 A vivid history of America s biggest baddest prison system and how it came to lead the nation s punitive revolution In the prison business all roads lead to Texas The most locked down state in the nation has led the way in criminal justice severity from assembly line executions to isolation supermaxes from prison privatization to sentencing juveniles as adults Texas Tough a sweeping history of American imprisonment from the days of slavery to the present shows how a plantation based penal system once dismissed as barbaric became the national template Drawing on convict accounts official records and interviews with prisoners guards and lawmakers historian Robert Perkinson reveals the Southern roots of our present day prison colossus While conventional histories emphasize the North s rehabilitative approach he shows how the retributive and profit driven regime of the South ultimately triumphed Most provocatively he argues that just as convict leasing and segregation emerged in response to Reconstruction so today s mass incarceration with its vast racial disparities must be seen as a backlash against civil rights Illuminating for the first time

the origins of America's prison juggernaut Texas Tough points toward a more just and humane future **BattlePlan Magazine** Decision Games, Past Into Print Publishing, Battleplan was an ambitious magazine devoted to providing variants scenarios and articles on game strategy for wargaming products by a variety of publishers Published between 1987 and 1989 the magazine had a great deal of content to appeal to war gamers including articles and materials for Ambush Squad Leader Advanced Squad Leader Up Front and many other games The periodical lasted nine issues before it was folded into the Wargamer Volume 2 periodical In this inaugural issue published in March April 1987 the contents include Letter from the Editor Squad Leader Scenarios One if by Air Two if by Sea and Blunting the Spearhead Solitaire Up Front Flamethrower Defense Scenario Overlord 1943 Variant for AH Fortress Europa includes countersheet insert Battle for Leyte Scenario for SSG Carriers at War A House Restored Rules variants for GDW A House Divided part 1 of 3 The Russian Campaign Political variants for AH Russian Campaign includes countersheet insert Holding the Line Scenario for Task Force's Armor at Kursk Field Marshal Variant situation cards and weather effects for Jedko Games Field Marshal by John Edwards includes card inserts Combat Cards II Escalation variant for Yaquinto WWII card game Warlords of the World Tournament scenario contest for Panther game Warlords Quick and Dirty Variants Collection of variants for World in Flames Third Reich and Operation Konrad Solo Wargames Gamer's Guide Classified Ads Writer's Guidelines Inserts Fortress Europa Variant Overlord 43 Countersheet Russian Campaign II Variant Counters Field Marshal Variant Situation Cards Charles Roberts and H G Wells Award Ballot One if by Air Two if by Sea and Blunting the Spearhead Squad Leader Scenarios Black Women in Texas History Bruce A. Glasrud, Merline Pitre, 2008 Though often consigned to the footnotes of history African American women are a significant part of the rich multiethnic heritage of Texas and the United States Until now though their story has frequently been fragmented and underappreciated Black Women in Texas History draws together a multi author narrative of the experiences and impact of black American women from the time of slavery until the recent past Each chapter written by an expert on the era provides a readable survey and overview of the lives and roles of black Texas women during that period Each provides careful documentation which along with the thorough bibliography compiled by the volume editors will provide a starting point for others wanting to build on this important topic The authors address significant questions about population demographics employment patterns family and social dimensions legal and political rights and individual accomplishments They look not only at how African American women have been shaped by the larger culture but also at how these women have in turn affected the culture and history of Texas This work situates African American women within the context of their times and offers a due appreciation and analysis of their lives and accomplishments Black Women in Texas History is an important addition to history and sociology curriculums as well as black studies and women's studies programs It will provide for interested students scholars and general readers a comprehensive survey of the crucial role these women played in shaping the history of the Lone Star State Turning Points—Actual and Alternate Histories Rodney P. Carlisle, J.

Geoffrey Golson,2007-02-12 In this unique reference leading historians describe not only how the expansion of the American nation in the early 19th century was a turning point in U S history that led to the Civil War but also alternative scenarios what happened and what almost happened This volume poses what if questions about ten crucial tipping points in the history of U S expansionism between 1800 and the Civil War It not only describes what happened in the case of Lewis and Clark the War of 1812 the Monroe Doctrine railroads and telegraphs the Mexican War the gold rush the Compromise of 1850 it also offers alternative scenarios essays on what could have happened In this exciting and imaginative approach to history students not only develop analytical skills by tracing the causes and effects of crucial events they are empowered by the knowledge that at moments when history hangs in the balance many paths are possible and that they as citizens can tip the scale Amazing Texas Girls Mary Dodson Wade,2018-04-01 Girls on the Western Frontier were expected to care for

younger children cook and clean wash clothes milk cows tend gardens and round up wandering herds in a harsh and unfamiliar landscape Their stories often taken from their first hand accounts of trips on Western trails and journals kept during their few free hours have been inspiring generations of young women and entertaining readers of all ages Amazing Texas Girls tells the stories of notable girls who spent most or all of their childhood in Texas And shaped the history of the Lone Star State Although from different cultures economic status education and notoriety all displayed an indomitable Texas spirit Each chapter tells the story of a girl s life 17 years old or younger offering complete biographical information but focusing on the girl s remarkable childhood Readers will never forget these stories of real girls who conquered the West in their own style *American Discord* Lesley J. Gordon,Megan L. Bever,Laura Mammina,2020-05-20 A panoramic collection of

essays written by both established and emerging scholars *American Discord* examines critical aspects of the Civil War era including rhetoric and nationalism politics and violence gender race and religion Beginning with an overview of the political culture of the 1860s the collection reveals that most Americans entered the decade opposed to political compromise Essays from Megan L Bever Glenn David Brasher Lawrence A Kreiser Jr and Christian McWhirter discuss the rancorous political climate of the day and the sense of racial superiority woven into the political fabric of the era Shifting focus to the actual war Rachel K Deale Lindsay Rae Privette Adam H Petty and A Wilson Greene contribute essays on internal conflict lack of compromise and commitment to white supremacy Here contributors adopt a broad understanding of battle considering environmental effects and the impact of the war after the battles were over Essays by Laura Mammina and Charity Rakestraw and Kristopher A Teters reveal that while the war blurred the boundaries it ultimately prompted Americans to grasp for the familiar established hierarchies of gender and race Examinations of chaos and internal division suggest that the political culture of Reconstruction was every bit as contentious as the war itself Former Confederates decried the barbarity of their Yankee conquerors while Republicans portrayed Democrats as backward rubes in need of civilizing Essays by Kevin L Hughes Daniel J Burge T Robert Hart John F Marszalek and T Michael Parrish highlight Americans continued reliance on

hyperbolic rhetoric American Discord embraces a multifaceted view of the Civil War and its aftermath attempting to capture the complicated human experiences of the men and women caught in the conflict These essays acknowledge that ordinary people and their experiences matter and the dynamics among family members friends and enemies have far reaching consequences **Print** Martha T. Mooney,1995 Excerpts from and citations to reviews of more than 8 000 books each year from 109 publications Electronic version with expanded coverage and retrospective version available see p 5 and p 31 Pricing Service Basis Books **The First Modern Campaign** Gary A. Donaldson,2007-06-15 The presidential campaign that pitted Richard M Nixon against John F Kennedy was the most significant political campaign since World War II With Eisenhower s tenure at an end American society broke with the culture of the war years This social shift was reflected in and provoked by new trends in American political life and political campaigning all of which made 1960 a landmark year in American politics In this engaging book Gary A Donaldson tells the story of Kennedy versus Nixon with a sharp eye for the salient political developments and a keen sense of the drama of an election that was unlike any other the nation had experienced The election of 1960 was also an orchestrated political drama organized as a sweeping campaign from coast to coast and staged for a national television audience This made it the first modern campaign in which the television media changed the dynamics of presidential politics and in which photographs charisma and direct appeals to voters counted as they had never done before It was also an election of intense personal rivalry made all the more spirited by the prejudice against Kennedy s Catholicism and his intention to widen the American political arena Ideological shifts within the parties as they combined with innovations in campaigning would mark a clear divide in politics as it was practiced and politics as it would have to be practiced in the future Yet not since Theodore White s journalistic account The Making of the President has attention been paid to the full 1960 campaign as it played out in the early primaries and then culminated in the November election Donaldson shows why the whole political season is critical to understanding American politics today The First Modern Campaign is essential and engaging reading for anyone interested in contemporary politics in the United States

**Texas** Rupert N. Richardson,Cary D. Wintz,Adrian Anderson,Ernest Wallace,2016-05-23 Written in a narrative style this comprehensive yet accessible survey of Texas history offers a balanced scholarly presentation of all time periods and topics From the beginning sections on geography and prehistoric people to the concluding discussions on the start of the twenty first century this text successfully considers each era equally in terms of space and emphasis

Eventually, you will categorically discover a extra experience and deed by spending more cash. yet when? reach you say yes that you require to get those all needs in imitation of having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to comprehend even more something like the globe, experience, some places, like history, amusement, and a lot more?

It is your extremely own become old to accomplishment reviewing habit. along with guides you could enjoy now is **Lone Star Sourcebook** below.
