## **Elephants Ancient And Modern:**

**Elephants, Ancient and Modern** Frederick Cameron Sillar, Ruth Mary Meyler, 1968      **War Elephants** John M. Kistler, 2007-10-01 Elephants have fought in human armies for more than three thousand years This is the largely forgotten tale of the credit they deserve and the sacrifices they endured      *Biology, Medicine, and Surgery of Elephants* Murray Fowler, Susan K. Mikota, 2008-01-09 Elephants are possibly the most well known members of the animal kingdom The enormous size unusual anatomy and longevity of elephants have fascinated humans for millenia *Biology Medicine and Surgery of Elephants* serves as a comprehensive text on elephant medicine and surgery Based on the expertise of 36 scientists and clinical veterinarians this volume covers biology husbandry veterinary medicine and surgery of the elephant as known today Written by the foremost experts in the field Comprehensively covers both Asian and African elephants Complete with taxonomy behavioral geographical and systemic information Well illustrated and organized for easy reference      The Cowboy and His Elephant Malcolm Macpherson, 2007-04-01 In the late 1980s a female baby elephant was born into a herd that lived on the plains of southern Africa Her mother has carried her for two years and normally she would have nursed her for five more But the close knit family of wild elephants was to face a predator for which it was no match humans In a cull her family was slaughtered in a few moments Only the newborn female s life was spared Terrified and bewildered the young elephant was transported to America to be sold There she met the person who was to change her life forever Bob Norris is a cowboy with an enormous empathy for animals that overwhelms his other emotions He was raised with a pet bear and as a boy decided to become a real cowboy He saw his dream come true in Colorado on one of the larger horse and cattle ranches in America Handsome as a movie star he became the Marlboro Man and appeared on TV and on billboards around the world But with the passing of years and with his own family grown up he felt the need for something that he could not name When she came into his life by happenstance the hurt vulnerable little elephant tapped the fullness of Bob s empathy and an incredible bond between the most unlikely of friends was forged Bob adopted the baby orphan elephant named Amy and patiently set about helping her recover from the trauma of her ordeal He had never seen a real African elephant up close except in zoos He was a horseman and breeder of champion quarter horses But through close observation gentle training humor and endless perseverance Bob gradually coaxed Amy into overcoming her mistrust of humans and indeed her fear of the world The little elephant became a hand on Bob s ranch tending to simple chores riding the fences and shadowing Bob on his horse She developed a winning personality and a strong character and became a beloved member of the Norris family and partner to the ranch hands But Bob knew from the start that the ultimate goal was for Amy to regain her confidence and her independence even if it were possible to go back to the savannahs of Africa This is the true story of how Amy and Bob came together No one who reads *The Cowboy and His Elephant* can fail to be moved by such a simple tale of unlikely love

**Elephant Destiny** Martin Meredith, 2009-04-27 For thousands of years the majestic elephant has roamed the African

continent as beloved by man as it has been preyed upon But centuries of exploitation and ivory hunting have taken their toll now as wars and poachers continue to ravage its habitat as disease and political strife deflect attention from its plight the African elephant faces imminent extinction What will become of these magnificent beasts As the elephant s future looms ever darker Martin Meredith s concise and richly illustrated biography traces the elephant s history from the first ivory expeditions of the Egyptian pharaohs 2500 years ago to today exploring along the way the indelible imprint the African elephant has made in art literature culture and society He shares recent extraordinary discoveries about the elephant s sophisticated family and community structure and reveals the remarkable ways in which elephants show compassion and loyalty to each other Elegant illuminating and urgent Elephant Destiny offers a beautiful and important tribute to one of earth s most magisterial creatures at the very moment it threatens to vanish from being **Fish and Wildlife News** ,1990

**The Rambler** ,1848 The Land of the Elephant Kings Paul J. Kosmin,2014-06-23 A Choice Outstanding Academic Title of the Year The Seleucid Empire 311 64 BCE was unlike anything the ancient Mediterranean and Near Eastern worlds had seen Stretching from present day Bulgaria to Tajikistan the bulk of Alexander the Great s Asian conquests the kingdom encompassed a territory of remarkable ethnic religious and linguistic diversity yet it did not include Macedonia the ancestral homeland of the dynasty The Land of the Elephant Kings investigates how the Seleucid kings ruling over lands to which they had no historic claim attempted to transform this territory into a coherent and meaningful space This engaging book appeals to the specialist and non specialist alike Kosmin has successfully brought together a number of disparate fields in a new and creative way that will cause a reevaluation of how the Seleucids have traditionally been studied Jeffrey D Lerner American Historical Review It is a useful and bright introduction to Seleucid ideology history and position in the ancient world Jan P Stronk American Journal of Archaeology **Fish and Wildlife News** U.S. Fish and Wildlife Service,1989 To the Elephant Graveyard Tarquin Hall,2020-03-03 Introduces us to the darker side of the Asian elephant It is more of a thriller than a straightforward travel book insightful and sensitive Literary Review On India s northeast frontier a killer elephant is on the rampage stalking Assam s paddy fields and murdering dozens of farmers Local forestry officials powerless to stop the elephant call in one of India s last licensed elephant hunters and issue a warrant for the rogue s destruction Reading about the ensuing hunt in a Delhi newspaper journalist Tarquin Hall flies to Assam to investigate To the Elephant Graveyard is the compelling account of the search for a killer elephant in the northeast corner of India and a vivid portrait of the Khasi tribe who live intimately with the elephants Though it seems a world of peaceful coexistence between man and beast Hall begins to see that the elephants are suffering having lost their natural habitat to the destruction of the forests and modernization Hungry confused and with little forest left to hide in herds of elephants are slowly adapting to domestication but many are resolute and furious Often spellbinding with excitement like a page turning detective tale Publishers Weekly To the Elephant Graveyard is also intimate and moving as Hall magnificently takes us on a journey to a place whose ancient ways are fast

disappearing with the ever shrinking forest Hall is to be congratulated on writing a book that promises humor and adventure and delivers both The Spectator Travel writing that wonderfully hits on all cylinders Booklist A wonderful book that should become a classic Daily Mail      **Elephants Pipes and Inscribed Tablets, A Vindication** Charles E. Putnam,1885      The Encyclopaedia Britannica Thomas Stewart Traill,1857      *The Elephant-lore of the Hindus* Nilakanṭha (of Rajamangalam),1985 This book is intended to serve as an introduction to the elephant lore of Hindus It consists primarily of a translation of the Elephant Sport Matanga Lila of Nilakantha with notes introduction and glossary The Matanga Lila is without doubt the best available Sanskrit work on elephantology It is a brief and succinct treatise in 263 stanzas divided into twelve chapters of uneven length Nothing is known of the Nilakantha who is mentioned as its author According to the editor Ganapati Sastri the three manuscripts he used are about two hundred years old But the work is probably very much older For aught we know it may go back a thousand years or even to a much earlier date This however is purely conjectural all we can say is that there is no positive trace of modernity in the work The elephant lore of our text is based on a genuine traditional knowledge which grew up among those whose business it was to deal with elephants and that this tradition has persisted to modern times      **Encyclopaedia Britannica** ,1857      From the Elephant's Back Lawrence Durrell,2015-03-06 Thirty eight rare out of print or previously unpublished essays and letters by Lawrence Durrell with scholarly introduction      A Vindication of the Authenticity of the Elephant Pipes and Inscribed Tablets in the Museum of the Davenport Academy of Natural Sciences, from the Accusations of the Bureau of Ethnology, of the Smithsonian Institution Charles Edwin Putnam,1885      **The Encyclopaedia Britannica, Or, Dictionary of Arts, Sciences, and General Literature** ,1842      **A Vindication of the Authenticity of the Elephant Pipes and Inscribed Tablets in the Museum of the Davenport Academy of Nat.
