I Am But A Child In Christ Hansis:

Pentecostal Power Calvin Smith, 2010-11-26 During the 1980s an explosion of Pentecostalism across Latin America attracted considerable attention among sociologists political scientists and regional experts eventually spreading to other academic disciplines Indeed ongoing spectacular growth and the social and political impact of the movement have strongly challenged secularization theory Yet while studies exploring the phenomenon are plentiful many limit their analysis to a single country issue or the perspective of a particular discipline Thus this edited volume provides readers with a multidisciplinary and continent wide treatment of the nature and effects of Latin American Pentecostalism including a theological analysis notably absent in most studies by various experts with published work in the field and as such represents an important contribution to the current literature

Forthcoming Books Rose Army,1997 *I Am a Child of the Most High God* Robert W. Ward,2024-12-17 I Am a Child of the Most High God is a book about our identity in Christ and who God made us to be So often we identify with who this world says that we are but that is not who we are at all God created us in His image That means we are spiritual beings with three parts spirit soul and body Also God created us as male and female with distinct roles and gifts that He has given to us So often we try to be someone we are not This causes us pain and heartache in this life It has been the same for me until God started talking to me about the truths in this book He told me to start saying what He says about me not what I see or perceive that the world is saying about me Once I started doing this His Word began to transform my life As I began to quote what His Word says about me I began to see changes in how I thought about myself My outlook on life began to change and it is still changing I might add When a contractor builds a house in order for it to look like its initial design he must follow the blueprint for the house from beginning to end It is the same for us In order for our lives to be truly fulfilled and full of happiness we must follow God's blueprint for our lives which is His Word I challenge you to read the truths in this book and dare you to apply them to your own life Also don't stop with just these nine concepts Dig deeper on your own and discover more of who He created you to be *Am I a Child of God?* ,1869 *Who Am I in Christ?* Ricardo Anthony,2017-08-25 When I first created this book it was designed as a Christmas gift to my family and friends They loved it so much that a friend suggested in marketing this book I hope you like this book and remember that God and Jesus loves you In this world we are constantly told that we are black fat ugly poor or we are worthless people until we buy a product or service One of most effective tactic used in DE humanizing a person is to break their dreams or tell them that they are worthless and no one loves them Many people like myself we fall for this trick every time Yet when we have a personal relationship with Jesus Christ and God we realize that we aren't worthless When we accept Jesus's free gift of salvation we become heirs to the kingdom We are a child of God We are loved Not matter what any man says in this world we are worthy to be loved and cared for by God Yes we have to do serve and do HIS Will Yet it is better position then from the position designed by the enemy or the world says we are *Oh God, Why My Only Child* Bettie Blocker Owens,2018-01-11 *Oh God Why My Only Child* recounts what I experienced when my only child became permanently brain damaged due to medical malpractice The brain damage was irreversible with my child ending up in a persistent vegetative state There was so much despair and hopelessness that at times I felt like I could not go on living I felt driven to write this book to share the mental anguish despair and long suffering that I experienced and with God's help I got through it all I am hoping that this book will help someone else who has gone or will go through what I have gone through As Paul points out in 2 Corinthians 1:3-4 Blessed be God even the Father of Our Lord Jesus Christ the Father of mercies and the God of all comfort Who comforteth us in all our tribulation that we may be

able to comfort them which are in any trouble by the comfort wherewith we ourselves are comforted of God Each one of us has different strengths to cope with life s disappointing trials and tribulations The pain can seem unbearable but God said that His grace is sufficient I know that with God s grace you will get through it **God's Own Child, I Gladly Say It** Erdmann Neumeister,2016-08 I am baptized into Christ While singing this beloved hymn follow along as a baby boy is born of water and the Spirit and grows in his baptismal grace until he receives the crown of life Children and adults alike will delight in these colorful scenes of Christians living the truths of their faith Includes a special presentation page making this a beautiful gift and keepsake for God s own child young or old Who Are You? Stacy Miller MA LPCE,2015-09-19 Who are you What is your identity in Identity defines you and defines your self worth So often we define ourselves by what we do our careers financial statuses families and interests None of those things are bad in and of themselves When they become our identities however they fall short of what our hearts were created for We were created to find our security and self worth through God alone Only in that identity will we find the fullness of peace and rest in our hearts In Who Are You author Stacy Miller takes readers on a journey to discover who they really are as children of God Throughout the journey Miller explores topics such as balance the condition of the heart Jesus interactions with children in Scripture pouring out pain to God worry and fear individual uniqueness freedom in all things and dreams Questions at the end of each chapter help the reader reflect more deeply about the chapters subject When we begin to feel our full security and identity in God we begin to experience true peace and restoration Millers prayer is that Who Are You will take you at least one step closer to finding yourself as Gods child **Who I Am in Christ** Maegen Neely,2019-11-14 Who I am in Christ is a six month journey to further grasp what God s Word has to say about identity in Him Every day is filled with Scripture encouragement and opportunity to pray and grow closer to the LORD Join with me each day in encountering God s truth and finding freedom and empowerment to believe and walk out who He has declared you to be
