The Magic in Me Grant Golden, Our Magic Nevil Maskelyne, David Devant, 1911 Latest Magic Hoffmann (Professor), 1919 The Magic of Surrender Kute Blackson, 2022-05-03 From one of the boldest voices in the world of personal growth and motivation a guide to moving past inner struggle to discover the power of relinquishing control Too often we limit our lives by putting conditions on them We think things should go a certain way and when they don't we hold on to what isn't working reinforcing what is causing us pain and affirming our lack of trust in the universe There is another way We can harness the power of relinquishing control and discover more purpose and meaning in our lives After the passing of Kute Blackson's mother in 2017 he discovered that the powerful lesson his mother had been modeling her whole life had always been at the heart of his own teachings he just hadn't realized it What was that keen insight Surrender isn't passive It isn't giving up It's strong and courageous It's about tapping in In this inspiring book Blackson traces how surrender was a key factor in the lives of so many great people throughout history and shows readers how they can move past self imposed barriers in their lives to discover the freedom and possibility on the other side of surrender
