Olsen, 2014-03-03 All of us at one time or another feel fragmented, cut off, and powerless. In this important work, psychotherapist Paul Olsen tells us that what we are really experiencing is a loss of connection with our soul, the energy inside us that connects us to ourselves, to others, to everything that exists, the inner energy that propels life. You cannot think your way out of an emotional dilemma. Dr. Olsen warns: Thinking in fact is the enemy, the disconnecter of the soul. So is science, the enemy. So is education, so are almost all the rules of living we learn as children and take for granted as adults. In Soul Force, Dr. Olsen offers exploration exercises that help you discover yourself. Whether your method of dealing with stress deepens the trap in which you find yourself, how to learn reflexive decision making, how to reconnect with your natural flow so that your inner power will be felt by everyone you meet, how to disengage from arguments and win them, what your worst enemy can teach you about yourself.
