**How to Cheat in Sports** Scott Ostler, 2010-07-01 It's no secret that pro athletes cheat. But how exactly do they do it? Original interviews with former professional athletes and coaches reveal step by step instructions and technical drawings on how to throw a spitball, become an unblockable linebacker, foul a jumpshooter without getting caught, and other ways to gain an advantage over opponents. Hilarious accounts from insiders place these trade secrets in context, divulging what really happens in baseball, football, basketball, NASCAR, hockey, and even bowling, horseshoes, and kickball. When athletes say they give 110%, *How to Cheat in Sports* explains the extra 10%.

**Cheaters Always Win** J. M. Fenster, 2019-12-03 A social history of cheating and how American history, through real estate, sports, finance, academics, and of course politics, has had its unfair share of rigged results and widened the margins on its gray areas. Drawing from the intriguing and sometimes unbelievable true stories of the lives of everyday Americans, historian Julie M. Fenster traces the history of the weakening of our national ethics through the practice of

cheating From marital infidelity to financial fraud rigged sports competitions to corruption in politics and the American education system nuclear weaponry to beauty pageants hospitals TV gameshows and charities nothing and no one is exempt And far from being ostracized cheaters in every sphere continue to survive and even thrive casting their influence over the rest of our society And nowhere is this more obvious than in the recent tectonic shift in politics where a revolution in our collective attitude toward fraudsters has ushered in a new kind of leadership Part history of an all American tradition part dissection of an ongoing national crisis *Cheaters Always Win* is irresistible reading a smart sardonic and scintillating look into the practice that made America what it is today      **How to Cheat in Golf - Confessions of the Handicap**

Alton Jones,2014-08-15 A light hearted but serious treatment of the age old issue of cheating in golf The book explains how so many golfers cheat and get away with it A great gift for the golfer it explains the simple math and techniques for manipulating handicaps and picking your partners and tournaments When you re finished you ll understand why some golfers seem to win far more than their fair share of tournaments You can catch them or join them Either way the book is a fun read      *Dream Shot* Robert C.S.
