I Would Have Saved Them If I Could:

Human Intercourse Philip Gilbert Hamerton, 2022-06-13 In *Human Intercourse* Philip Gilbert Hamerton employs a rich reflective prose style reminiscent of Victorian literature to explore the intricate social dynamics of human relationships. Through a series of perceptive essays, Hamerton delves into the psychological and philosophical underpinnings of interpersonal connections, offering a nuanced examination of societal norms and individual behavior. The book's contextual backdrop is rooted in the late 19th century, a time when social relations were undergoing significant transformation, making Hamerton's insights particularly relevant in dissecting the balance between individual autonomy and communal responsibility. Hamerton was not only an accomplished writer and artist but also a keen observer of human nature. His experiences in both the literary and artistic realms informed his understanding of the complexities of human interaction. A passionate advocate for the integration of art and social commentary, Hamerton's wealth of knowledge and diverse experiences provided him not only with the tools to analyze but also the desire to improve societal relations, which is palpably felt in this work. Readers seeking a profound exploration of what it means to connect with others will find *Human Intercourse* both enlightening and intellectually stimulating. Hamerton's eloquent observations and keen insights into the human condition make this book a timeless resource for anyone interested in the intricate web of social interaction. **Dragons of**

Dawn Brian Rathbone, Morgen Rich, Jack McCarthy, 2017-12-16 *Dragons and magic await*. *Dragons of Dawn* is an epic saga that contains three novels that are prequels to the *World of Godsland* fantasy series. Each is a great place to start the series or to continue the adventure. *Dragon Airways*: Lured by ancient magic, a boy with special needs and unusual talents becomes valuable to both sides of the war. Fleeing those sent to capture him, he and his sister board *Dragon Airways Ascension*. Having reached the age of decision, Gwendolin Ahlgren finds she has no viable choices or, at least, none her family will agree to let her pursue. She's resigned that her life will be anything but what she'd hoped it would be. When a traveling circus passes through her village, a fortune teller predicts a mysterious destiny Gwen could never have imagined and roundly rejects. Against her will, she leaves home for life in a monastery and meets the love of her life. Life and love aren't always what one expects, and neither is destiny. Gwen will have to stretch beyond herself and understand the true meaning of love if she's to fulfill her destiny through a task that only an unimaginable ascension can accomplish. *Onin*: Joining the King's Guard is something every kid growing up in the Midlands dreams about. Onin never dared imagine such a life for himself, even after distinguishing himself in battle. When offered a rare opportunity to train within the Heights, he must balance honor, duty, and family. Haunted by persistent dreams and lured by the possibility of becoming a member of the guard, Onin leaves his home and the last vestiges of childhood behind. Follow the story of one of the most beloved characters from the *World of Godsland* fantasy series in the first installment of the Protector trilogy. This epic fantasy series includes *The Dawning of Power* trilogy, *Call of the Herald*, *Free ebook*, *Inherited Danger*, *Dragon Ore*, *The Balance of Power* trilogy, *Regent Feral*, *Regal*, *The Artifacts of Power*.
