Burns,1985 **Lonely** Emily White,2010-02-09 A brave and revealing examination of an overlooked affliction that affects one in four Canadians Despite having a demanding job good friends and a supportive family Emily White spent many of her nights and weekends alone at home trying to understand why she felt so disconnected from everyone To keep up the fa ade of an active social life and hide the painful truth that she was suffering from severe loneliness the successful young lawyer often lied to those around her and to herself In this insightful soul baring and illuminating memoir White chronicles her battle to understand and overcome this debilitating condition and contends that chronic loneliness deserves the same attention as other mental difficulties such as depression Right now loneliness is
