Keeping Christmas Expanded Edition:

A Christmas Carol - Enhanced Edition Charles Dickens,2012-10-31 A Christmas Carol is Charles Dickens s classic tale of the redemption of Ebenezer Scrooge This enhanced iBookstore edition contains the classic text as well as an all new full cast dramatization In this classic tale we re live the iconic story where the mean old businessman is visited by the spirits of Christmases past present and future With a cast of eleven actors performing the well known roles of everyone from Jacob Marley to Tiny Tim this fresh production breathes new life into a much loved seasonal favourite **The Intellectual**

American Eric B. Olsen,2018-03-15 In his first collection of essays author and educator Eric B Olsen offers the reader a wide range of analytical thought and cultural criticism The book opens by examining the history of film in the twentieth century and then analyzing literature from ancient Greek drama to modern American poetry as well as commenting on jazz and popular music The final group of essays concerns topics as diverse as climate change popular culture religion anti intellectualism and politics Drawing on a broad base of literary and social criticism from the philosophical thought of Plato and Aristotle to the writings of Lionel Trilling and Richard Hofstadter The Intellectual American is a work of confident scholarship and the herald of a new voice in American letters England's Culture Wars Bernard Capp,2012-07-05

Following the execution of the king in 1649 the new Commonwealth and then Oliver Cromwell set out to drive forward a puritan reformation of manners They wanted to reform the church and its services enforce the Sabbath suppress Christmas and spread the gospel They sought to impose a stern moral discipline to regulate and reform sexual behaviour drinking practices language dress and leisure activities ranging from music and plays to football England s Culture Wars explores how far this agenda could be enforced especially in urban communities which offered the greatest potential to build a godly civic commonwealth How far were local magistrates and ministers willing to cooperate and what coercive powers did the regime possess to silence or remove dissidents How far did the reformers themselves wish to go and how did they reconcile godly reformation with the demands of decency and civility Music and dancing lived on in genteel contexts early opera replaced the plays now forbidden and puritans themselves were often fond of hunting and hawking Bernard Capp explores the propaganda wars waged in press and pulpit how energetically reformation was pursued and how much or little was achieved Many recent historians have dismissed interregnum reformation as a failure He demonstrates that while the reforming drive varied enormously from place to place its impact could be powerful The book is therefore structured in three parts setting out the reform agenda and challenges surveying general issues and patterns and finally offering a number of representative case studies It draws on a wide range of sources including local and central government records judicial records pamphlets sermons newspapers diaries letters and memoirs and demonstrates how court records by themselves give us only a very limited picture of what was happening on the ground Keep On Fighting Dorothy H. Christenson,2015-07-15 Marian Alexander Spencer was born in 1920 in the Ohio River town of Gallipolis Ohio one year after the Red Summer of 1919 that

saw an upsurge in race riots and lynchings Following the example of her grandfather an ex slave and community leader Marian joined the NAACP at thirteen and grew up to achieve not only a number of civic leadership firsts in her adopted home city of Cincinnati but a legacy of lasting civil rights victories Of these the best known is the desegregation of Cincinnati's Coney Island amusement park She also fought to desegregate Cincinnati schools and to stop the introduction of observers in black voting precincts in Ohio Her campaign to raise awareness of industrial toxic waste practices in minority neighborhoods was later adapted into national Superfund legislation In 2012 Marian's friend and colleague Dot Christenson sat down with her to record her memories The resulting biography not only gives us the life story of remarkable leader but encapsulates many of the twentieth century's greatest struggles and advances Spencer's story will prove inspirational and instructive to citizens and students alike

Haley family all of which provide a unique understanding of Alex Haley's journey researching and writing the book. In new video interviews NBC's Tom Brokaw and David Wilson reflect on the story's lasting impact. *Roots* is a groundbreaking story of history and family that spanned continents and touched generations. One of the most important books and television series ever to appear, *Roots* galvanized the nation and created an extraordinary political, racial, social, and cultural dialogue that hadn't been seen since the publication of *Uncle Tom's Cabin*. The book sold over one million copies in the first year and the miniseries was watched by an astonishing 130 million people. It also won both the Pulitzer Prize and the National Book Award. *Roots* opened up the minds of Americans of all colors and faiths to one of the darkest and most painful parts of America's past and we continue to feel its reverberations today. *Roots: The Enhanced Edition* is truly definitive, adding unmatched sweep, context, and insight to this ever-relevant classic. The Enhanced Edition features: Full text of the book; Video introduction and interview with David Wilson; New video interview with Tom Brokaw; Footage of author Alex Haley provided by the NBC News Archives and the Haley family; including Today Show interviews with Tom Brokaw; *Roots*-related events in the 1970s; an extended interview about the book and more; 45 minutes of video; Recordings of Alex Haley speaking about researching and writing the book; 30 minutes of audio; 10 rare photos from the Haley family; Essay by Alex Haley; Reading Group Guide; Introduction by Michael Eric Dyson; Extended biography of Haley.

Going Clear (Enhanced Edition) Lawrence Wright, 2013-01-17 National Book Award Finalist. The enhanced eBook edition of Lawrence Wright's revelatory study of Scientology includes additional photographs and documents plus more than thirty minutes of original video-taped interviews with former members of the church speaking about what drew them to Scientology and about discovering past lives, the church's position on abortion and homosexuality, and how the Guardian's Office functions, and in interviews with the author. Lawrence Wright speaks about his aims in writing this book, his respect for his sources, and methods of research. A clear-sighted revelation, a deep penetration into the world of Scientology by Pulitzer Prize-winning author of *The Looming Tower*, the now classic study of al Qaeda's 9/11 attack. Based on more than two hundred personal interviews with current and former Scientologists, both famous and less well-known, and years of archival research, Lawrence Wright uses his extraordinary investigative ability to uncover for us the inner workings of the Church of Scientology. At the book's center, two men whom Wright brings vividly to life, showing how they have made Scientology what it is today: The darkly brilliant science fiction writer L. Ron Hubbard, whose restless, expansive mind invented a new religion, and his successor David Miscavige, tough and driven, with the unenviable task of preserving the church after the death of Hubbard. We learn about Scientology's complicated cosmology and special language. We see the ways in which the church pursues celebrities such as Tom Cruise and John Travolta, and how such stars are used to advance the church's goals. And we meet the young idealists who have joined the Sea Org, the church's clergy, signing up with a billion-year contract. In *Going Clear*, Wright examines what fundamentally makes a religion a religion, and whether Scientology is in fact deserving of this constitutional protection.

Employing all his exceptional journalistic skills of observation understanding and shaping a story into a compelling narrative Lawrence Wright has given us an evenhanded yet keenly incisive book that reveals the very essence of what makes Scientology the institution it is
