Onken,2014-10-15 Many readers of the Bible assume that when Jesus did a miracle it was fundamentally to prove that He was God Jesus was pulling out His God Card What is startling is that Jesus never made the case that this was the primary purpose of His miracles What if Jesus was intending to reveal something different something more something beyond merely proving His identity Seeing as Jesus miracles were such a significant part of His ministry if we miss what His miracles do reveal we may be missing out on great insights into the One who loves us and came to rescue us Like the restoration of a great Old Master s painting Brian leads his readers to a fresh vision of what is conveyed in the Gospel accounts of Jesus miracles Uncovering what is there in the text we see the miracles in a reinvigorated vibrant way You will never read about the miracles in the same way and you will catch a renewed and compelling glimpse of Jesus *First Steps for the New Christian* Eddie Rasnake,2001-12 Following God First Steps for the New Christian is all about having a firm foundation for our walk with the Lord This study takes believers through the kinds of topics that will be relevant the rest of their Christian lives *The Jubilee Principle* Dan L.
