Middle Iranian holy books Greek epic Celtic and Germanic sagas down to Armenian oral folk epic of the last century Watkins argues that this formula is the vehicle for the central theme of a proto text and a central part of the symbolic culture of speakers of the Proto Indo European language the relation of humans to their universe the values and expectations of their society Therefore he further argues poetry was a social necessity for Indo European society where the poet could confer on patrons what they and their culture valued above all else imperishable fame **How to Kill a Giant** Duane Vander

Dolan,2010-11-24 Marriage is often described as a

melding of two people into one But what or who must be lost fragmented or buried in that process We have inherited a model of marriage so flawed Frances E Dolan contends that its logical consequence is conflict Dolan ranges over sixteenth and seventeenth century Puritan advice literature sensational accounts of true crime and late twentieth century marriage manuals and films about battered women who kill their abusers She reads the inevitable Taming of the Shrew against William Byrd s diary of life on his Virginia plantation Noel Coward s Private Lives and Barbara Ehrenreich s assessment in Nickel and Dimed of the relationship between marriage and housework She traces the connections between Phillippa Gregory s best selling novel The Other Boleyn Girl and documents about Anne Boleyn s fatal marriage and her daughter Elizabeth I s much debated virginity By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time she shows that the early modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person When two fractious individuals assert their conflicting wills resolution can be achieved only when one spouse absorbs subordinates or eliminates the other In an era when marriage remains hotly contested this book draws our attention to one of the histories that bears on the present a history in which marriage promises both intimate connection and fierce conflict both companionship and competition *Killing Chaos* Kyle Scott,2020-09-16 The most critical component to solving a problem is correctly diagnosing
