Benedictions Julie K. Aageson, 2016-03-18 Benedictions is about the presence of the sacred in ordinary things the ground beneath our feet the ways we bless each other loss and grief the making of our homes even doubt and darkness In the everyday experiences described here God s presence is palpable and real Cleave the wood and I am there says Isaiah in the apocryphal gospel of Thomas Lift up the stone and you will find me there These benedictions literally good words blessings tastes of God remind readers to live life with feeling and passion and art to pay attention to the holiness of the commonplace Each reflection opens a door inviting the reader into an experience they might understand as an encounter with God and an exploration of the many meanings of the sacred Benedictions is also a personal collection about places and people seasons of life and seasons of experience that convey much more than the ordinary A statement and questions for further conversation and discussion follow each reflection Hopefully readers will discover their own benedictions here in the wonder grace and mystery of God s presence in daily life
