Reading Between the Signs Workbook Anna

Mindess,2004-11-03 This helpful workbook functions as a companion and supplement to Anna Mindess's earlier book *Reading Between the Signs: A Cultural Guide for Sign Language Interpreters*, a recognized classic text for sign language interpreters and ASL students. It is arranged to correspond with the theory presented in the book and expands its focus to the relativity of politeness and the distinction between direct and indirect communication styles, both of which are important elements in comparing Deaf and mainstream cultures. Hands-on exercises allow students to better comprehend the sometimes puzzling differences of culturally appropriate behavior. The book also helps students explore their own culture as well as the American Deaf culture in ways that reveal the differences between the two. Role-play discussion topics and critical incidents increase first-hand understanding of the relationship between the Deaf and Hearing communities. **3Story**

Participant's Guide Dave Rahn,2009-08-30 You have a story to tell. Maybe you didn't realize that. When you decided to follow Jesus, your story really started to develop. God has a story to tell. Since before you were born, God has been pursuing you. He sent his son for you and your friends. Your friends have stories. Maybe their stories don't include Jesus yet. That's where you and 3Story come in. Evangelism is an essential element of every youth group. But when traditional evangelism methods prove awkward, ineffective, or uncomfortable for students to embrace, it's almost impossible to equip your students to understand and share their faith. But 3Story is different. 3Story is a way of life that guides followers of Christ to BE good news while telling stories of THE Good News. Based squarely on relationships, 3Story focuses on God's story, my story, the student and their story, their friends. This curriculum course based on Youth for Christ's 3Story training presents an interactive learning experience that equips students to live and practice the 3Story lifestyle, a biblically based, culturally relevant form of discipleship evangelism that emphasizes being real in personal interactions. **Where Faith and Culture Meet**

Participant's Guide Andy Crouch,2009-08-30 Take Your Group to a Place Where they can see people's needs in a new way. Where they can understand their calling. Where they will learn how their faith can shape culture. This six-session DVD and corresponding curriculum helps your group experience and envision how followers of Christ can be a counterculture for the common good. Together you'll experience stories of other believers who changed the culture around them, including Andy Crouch, Mako Fujimara, Rudy Carrasco, Mark Buchanan, Tal James Frederica, Mathewes Green, and others. You'll watch how their journeys unfolded, their challenges, and their breakthroughs. Also included on the DVD are insights from trusted pastors and Christian leaders such as Tim Keller, Lauren Winner, James Meeks, Brenda Salter McNeil, and Ken Fong. *The*
