Real Estate and Urban Development in South America Claudia Murray, Eliane Monetti, Camilla Ween, 2017-12-14 Real Estate and Urban Development in South America uncovers how investors are navigating South American real estate markets in commercial residential and infrastructure development A preferred location for real estate

development during the colonial era in recent decades South America has been seen as high risk for global real estate investors This book explores the strengths and weaknesses of real estate markets in the region concluding that with careful implementation of the correct development strategies the region can once again take its place at the centre stage of global real estate investment Comparing the economics and market maturity of South American countries in turn the authors draw out the particular contexts in which investors and developers operate in mature and emerging markets Bridging the gap between theory and practice analysis of local development policies legislation valuation methods and taxation is supplemented with case studies from key players in the region s major cities The first full overview of real estate markets in South America this book will be an essential guide for investors policy makers academics and students with an interest in this this rapidly evolving region

Corporate Real Estate Asset Management Barry Haynes, Nick Nunnington, Timothy Eccles, 2017-04-28 The second edition of *Corporate Real Estate Asset Management* is fully up to date with the latest thought and practice on successful and efficient use of corporate office space Written from an occupier s perspective the book presents a ten point CREAM model that offers advice on issues such as sustainability workplace productivity real estate performance measurement change management and customer focus In addition new case studies provide real life examples of how corporations in the UK USA Hong Kong and Abu Dhabi actively manage their corporate real estate The book is aimed at advanced undergraduate and graduate students on corporate real estate facilities management and real estate courses and international MBA programmes

Office Markets and Public Policy Colin Jones, 2013-03-04 This is the first book that looks at how offices and office markets in cities have changed over the last 30 years It analyses the long term trends and processes within office markets and the interaction with the spatial economy and the planning of cities It draws on examples around the world and looking forward at the future consequences of information communication technologies and the sustainability agenda it sets out the challenges that now face investors The traditional business centres of cities are losing their dominance to the brash new centres of the 1980s and 1990s as the concept of the central business district becomes more diffuse Edge cities business space and office parks have entered the vocabulary as offices have also decentralised The nature and pace of changes to office markets set within evolving spatial structures of cities has had implications for tenants and led to a demand for shorter leases The consequence is a rethink of the traditional perception of property investment as a secure long term investment and this is reflected in reduced investment holding periods by financial institutions Office Markets land management property and real estate urban planning and urban studies It will also be of interest to researchers property professionals policy makers and planning practitioners

Investment is designed to provide a foundation for the next generation of investment managers advisers and analysts Further resources for lecturers and students are available online at www.andrewbaum.com **Hong Kong Professional Services and the Belt and Road Initiative** Linda Chelan Li,Phyllis Lai Lan Mo,2023-03-03 This book scrutinizes the role of Hong Kong in the expansive and contested vision of China s Belt and Road Initiative BRI In two main parts it first discusses the defining features of the BRI and the evolving expectations of the role of Hong Kong in the BRI from the perspectives of policy makers and the professional sectors of accountancy finance and the law The second part contemplates the potential opportunities for Hong Kong from the perspectives of recipient countries Sri Lanka Vietnam Cambodia and Myanmar Utilizing an action research approach and engaging the views of a broad spectrum of actors the authors observe the critical role of agency and innovations in a context of institutional contradictions the impact of BRI governance structure for the deficits in international participation gaps between grand state visions and commercial interests and the salience of effective communication in navigating complex policy initiatives Taking these together unpacks the complex processes shaping Hong Kong s participation and role in the BRI This book will appeal to students and researchers interested in the BRI and Hong Kong in the contexts of institutional contradictions agency innovations and political dynamics as well as sustainable development

Innovating Strategies and Solutions for Urban Performance and Regeneration Cristina Piselli,Hasim Altan,Osman Balaban,Peleg Kremer,2022-07-01 This book focuses on enhancing urban regeneration performance and strategies that pave the way toward sustainable urban development models and solutions The book at hand thoroughly examines the latest studies on the regeneration of urban areas and attempts at alleviating the negative impacts associated with high population density and urban heat effects It gathers contributions that combine theoretical reflections and international case studies on urban regeneration and transformation with the single goal of tackling existing social and economic imbalances and developing new solutions The primary audience of this book will be from the field of architecture and urban planning offering new insights on how to address the myriad of problems that our cities are facing **The Rise of Africa'S Small & Medium Size Enterprises** Dr. Robin Renee Sanders,2017-02-08 Ambassador Dr Robin Renee Sanders new book on The Rise of Africas Small Medium Size Enterprises SMEs is an insightful examination of the dramatic shift in the development paradigm for Sub Saharan Africa driven in large part by the imaginative innovative and insta impact leadership of the regions small businesses or SMEs SMEs have helped drive economic development growth and aided in increasing the size of the Continents middle class Sanders says With the Introduction to the book by renown civil rights leader Ambassador Andrew Young and the Foreword by Sub Saharan Africas leading businessman Mr Aliko Dangote Sanders book credits the determination of Africa SMEs and entrepreneurs which includes African nationals immigrants and African Americans for stepping into the void left by 40 years of post independence development approaches that had little impact on reducing overall poverty and creating jobs in the region Africas dynamic entrepreneurial spirit of Generation Xers and Millennials are

and have formed SMEs and social enterprises that today are responsible for conceiving and inventing many of the new apps and answers to address the regions age old poverty issues Sanders emphasizes Africa SMEs are not only a key driver for jobs but serve as an additional catalyst to grow the middle class Sanders argues that it was the Rise of the Africa SME converging with technology and its mobility that has changed over the last decade the focus and direction of development in Sub Saharan Africa The book has a few vignettes from Sanders diplomatic life and work as CEO of the FEEEDS Advocacy Initiative with Africa SMEs over the years as well as regional examples of some of innovative things Africa entrepreneurs are doing in sectors ranging from agriculture and food security to energy and climate change The book also walks readers through what donors foundations and African stock markets are doing today to help in the SME space Sanders ends with recommendations of what more can be done by donors African governments and the new U S administration to further assist Africa SMEs particularly the group she calls the critical mass and those at the fragile end of Africas middle class **Making**

Foreign Direct Investment Work for Sub-Saharan Africa Thomas Farole, Deborah Winkler, 2014-01-13 This book presents the results of a groundbreaking study on spillovers of knowledge and technology from global value chain oriented foreign direct investment FDI in Sub Saharan Africa and discusses implications for policymakers hoping to harness the power of FDI for economic development **Gender equality: it's your business** Lauren McCarthy, Liz Kirk, Kate Grosser, 2012

The Informal Post-Socialist Economy Jeremy Morris, Abel Polese, 2013-12-13 From smugglers to entrepreneurs blue collar workers and taxi drivers this book deals with the multitude of characters engaged in informal economic practices in the former socialist regions Going beyond a conception of informality as opposed to the formal sector its authors demonstrate the fluid nature of informal transactions straddling the crossroads between illegal illicit socially acceptable and symbolically meaningful practices Their argument is informed by a wide range of case studies from Central Europe to the Baltics and Central Asia each of which is constructed around a single informant Each chapter narrates the story of a composite person or household that was carefully selected or constructed by an author with long standing ethnographic research experience in the given field site Wide in geographical empirical and theoretical scope the book uses ethnographic narrative accounts of everyday life to make links between ordinary meanings of informality Challenging reductively economic perspectives on cross border trading undeclared work and other informal activities the authors illustrate the wide variety of interpretive meanings that people ascribe to such practices Alongside getting by and getting ahead in recently marketised societies these meanings relate to sociality kinship ties and solidarity along with more surprising political and moral reasonings

Rethinking the Market Economy J. Lambin, 2014-03-14 This book explores the changing socio economic and technological landscape of the 21 century and what it means It adopts an industrial economic approach whilst proposing a road map leading to the adoption of a societal market economy model as an appealing and politically acceptable third way between capitalism and socialism **Socio-economic Systems: Paradigms for the Future** Elena G. Popkova, Victoria N.

Ostrovskaya,Aleksei V. Bogoviz,2021-03-05 This book is reflective of a science based vision of the future development paradigm of economic and social systems It deals with the digitization as the technological basis for the future development of economic and social systems and presents a review of groundbreaking technologies and prospects for their application The specific character of the industry and prospects for the application of digital technologies in business are analyzed A rationale is provided for future prospects for the sustainable development of economic and social systems in a digital economy The authors determine the process of the formation and development of the information oriented society social and educational aspects of the digitization as well as the institutional framework of the digital future of social and economic systems The book combines the best works following the results of the 12th International Research to Practice Conference Artificial Intelligence Anthropogenic Naturevs Social Origin that was held by the Institute of Scientific Communications ISC in cooperation with the Siberian Federal University and the Krasnoyarsk Regional Fund of support of scientific and scientific technical activities on 5 7 December 2019 in Krasnoyarsk Russia as well as following the results of the 3rd International Research to Practice Conference Economic and Social Systems Paradigms for the Future that was held by the ISC in cooperation with the Pyatigorsk State University on 5 6 February 2020 The target audience of the book consists of representatives of the academic community concerned with the future prospects for the development of economic and social systems as well as economic agents engaged in the digitization of business processes and representatives of public agencies regulating the development of business systems for their progressivity sustainability and competitiveness Redefined

Labour Spaces Sobin George,Shalini Sinha,2017-07-14 This book discusses the transformation of labour movements and trade unionism in post liberalised India It looks at emerging collectivism both in formal and informal sectors and relates it to changing political and industrial relations Bringing together studies of resistance struggles and new forms of negotiations from different industries agriculture fisheries brick kiln plantations IT domestic workers shipbreakers sex workers and miners this book exposes the myths realities and challenges that the present generation of workers in India face and struggle with With contributions from leading thinkers in the field the work deepens the understanding of the current Indian labour spaces possibilities for contestations and articulations from below The volume will be useful to students and researchers of labour studies economics sociology development studies and public policy It will be an invaluable resource to those engaged with industrial relations trade unions human rights social exclusion as well as labour organisations and research institutions
