NITE Ellen Grant, 2022-02-09 Children inherit more than eye color hair color and height A parent's secret can give rise to a child's burden Although a child may become a socially adaptable adult with a family and a six figure salary this does not necessarily guarantee everything is all right on the inside Secrets that are an invitation to dysfunction mistrust and worst of all rebellion can trail into painful generational bonds The heart functioning to sustain and overcome pain serves as God's instrument to channel his love to us so we can love ourselves and others When the invitation is extended to sin decline the offer do not click maybe or regrets An invitation does not mean acceptance Here is your way out Right now This second choose life and blessings so that you and your seed will live not merely the simple life but an abundant life of overflowing love joy peace and prosperity which Jesus sacrificed and died for you to embrace Never invite the enemy The enemy's plan has always been to steal kill and destroy not only you but also your children and their children The enemy is anyone and anything whether disguised in makeup money or muscles that distract you from God's perfect plan for your life The love of the flesh and undisciplined desires can exceed in intensity while the love for God diminishes An extra slice of cake an extra dose of meds or an extra marital affair does not matter the flesh wants to be fed The effects linger beyond midnight and morning and will manifest for generations God is relying on you to stop the cycle of imbalance in your family
