Ensign Flandry Poul Anderson, 1979 Young Flandry Poul Anderson, 2010-01-01 It is the twilight of the Terran Empire The warriors who made it great are long gone now and the Traders of the Polesotechnic League who made it possible are the dimly remembered stuff of legend Alien enemies prowl its outer precincts and Sector Governors conspire for the Throne of Man On Terra herself those who occupy the labyrinthine corridors of power busy themselves with trivialities and internal politics as outside the final darkness gathers In this scene of terminal disarray one man stands like a giant Dominic Flandry Agent of the Terran Empire In three full length novels he will rise from young ensign to lieutenant commander as he outthinks rivals and thwarts adversaries blazing a trail across the galaxy in defense of an Empire which barely appreciates him and against alien enemies who appreciate him all too well At the publisher s request this title is sold without DRM Digital Rights Management

Sir Dominic Flandry: The Last Knight of Terra Poul Anderson, 2010-12-01 A KNIGHT WITHOUT ARMOR IN A SAVAGE GALAXY Captain Dominic Flandry has been knighted for his many services to the Terran Empire an Empire which is old jaded and corrupt as Flandry well knows but he also knows that the Empire is better than anything that is likely to take its place And while that _Sir before his name may be an added attraction to comely ladies not that he has ever lacked for the pleasant company of the same he expects that it will also bring him less welcome attention from envious _colleagues within the empire What it is not likely to do is make him more of an object of interest to the alien Merseians whose plots against the Empire he has repeatedly foiled They already are as aware as they can be of how much simpler their plans to rule the galaxy would be if their most dangerous adversary were the late Sir Dominic Flandry This is the sixth volume in the first complete edition of Poul Anderson s Technic Civilization saga At the publisher s request this title is sold without DRM Digital Rights Management _These are stories of the classic science fiction tradition hard science and tough characters in logically well integrated action stories Jerry Pournelle _One of science fiction s authentic geniuses Chicago Sun Times _The winner of seven Hugos and three Nebulas one of the towering figures of modern SF and fantasy Publishers Weekly _Anderson fuses elegiac prose and a sweeping vision of man s technological future as only he can Booklist

Flandry's Legacy Poul Anderson, 2011-04-05 Sir Dominic Flandry is now an Admiral but takes little joy in his new rank He sees the rot in the Terran Empire on every hand and knows that the Long Night will inevitably fall upon the galaxy His consolation is that measures he has taken while doing what he can to postpone the Empire s final collapse may shorten the coming galactic dark age and hasten the rise of a new interstellar civilization In the meantime he ll enjoy the comforts of a decadent civilization and he ll always be ready for one more battle against the Empire s enemies This concluding volume of the Technic Civilization saga one of the milestones of modern science fiction includes two full length novels A Stone in Heaven When the daughter of Flandry s mentor asks for help he intervenes and finds he must thwart a would be dictator s plans to seize control of the Empire The Game of Empire The Merseians alien enemies of the Empire have put into motion an

insidious plan to bring the Terran Empire down Flandry's daughter Diana and her feline like alien friend have discovered the conspiracy but can they stop it in time Plus three novellas and a novelette set in the time of the Long Night and the renaissance of civilization which followed it concluding one of the grandest adventure sagas in science fiction At the publisher's request this title is sold without DRM Digital Rights Management **Ensign Flandry, Volume 1** Poul Anderson, 2003-07-01 Ensign Flandry is a classic character in the history of science fiction This definitive omnibus of three Flandry adventures will delight Anderson's legion of fans After the first flowering of the Terran Empire which has grown increasingly decadent and corrupt other civilizations in the galaxy threaten to take over the Terran's worlds In this scenario steps the debonair tough and pessimistic Dominic Flandry half Hans Solo half James Bond and a hero for the ages

Flandry of Terra Poul Anderson, 2004-07-01 A collection of three Flandry tales The Game Of Glory Captain Flandry follows a dying man's clue to the watery provincial world of Nyanza where a rebellion against the Empire may be brewing A Message In Secret Flandry ventures to the remote colonial world of Altai whose human inhabitants haven't been in contact with the Terran Empire for centuries and discovers that they are cutting a Faustian deal with the Merseians The Plague Of Masters Flandry of his own volition decides to investigate the remote and isolated world of Unan Besar to see exactly why it is they have had no contact with the Empire in over 300 years The Van Rijn Method Poul Anderson, 2008-09-01 The Buck Starts Here Think there's an unbridgeable gulf between human and alien thought Not so There's a common tongue all right and Nicholas Van Rijn speaks it fluently TRADE For behind the buffoonish blarney and bawdy bonhomie of the Falstaffian Van Rijn is a man who gets things done A born wheeler dealer who usually leaves both sides better off in the bargain While pocketing a hefty cut of the profits himself of course With The Man Who Counts and a passel of other tales included this is the first of three volumes set to contain the complete cycle of Polesotechnic League books and stories by transcendently gifted science fiction master how does seven Hugos and three Nebula Awards strike you Poul Anderson _ and starring Nicholas Van Rijn his most famous character of all At the publisher's request this title is sold without DRM Digital Rights Management **Rise of the Terran Empire** Poul Anderson, 2009-06-01 Nicholas van Rijn the most flamboyant member of the Polesotechnic League of star traders could see dark times ahead Fellow league members were using tactics verging on outright piracy and others were all too eager to sell starships and high tech weapons to alien barbarians A planet not previously known for interstellar commerce suddenly revealed a secret fleet of armed starships and started building an empire Even if Van Rijn and his right hand man David Falkayn could find a way to stop this blatant aggression the glory days of the League were over Hereafter for its own protection against well armed alien marauders the Earth must maintain a strong military fleet and one charismatic man would found an empire that would learn nothing of the lessons history taught about the fates of other empires as it began annexing other star systems whether they wanted to join the Terran Empire or not This is the third volume in the first complete edition of Poul Anderson's Technic Civilization saga and it includes a classic
