The Hangman and His Wife Nancy Dougherty, 2022-05-24 An astonishing journey into the heart of Nazi evil a portrait of one of the darkest figures of Hitler's Nazi elite Reinhard Heydrich the designer and executor of the Holocaust chief of the Reich Main Security including the Gestapo interwoven with commentary by his wife Lina from the author's in depth interviews He was called the Hangman of the Gestapo the butcher of Prague with a reputation as a ruthlessly efficient killer He was the head of the SS and the Gestapo second in command to Heinrich Himmler His orders set in motion the Kristallnacht pogrom of 1938 and as the lead planner of Hitler's Final Solution he chaired the Wannsee Conference at which details of the murder of millions of Jews across Nazi occupied Europe were toasted with cognac In *The Hangman and His Wife* Nancy Dougherty and following her death Christopher Lehmann Haupt masterfully explore who Heydrich was and how he came to be and how he came to do what he did We see Heydrich from his rarefied musical family origins and his ugly duckling childhood and adolescence to his sudden flameout as a promising Naval officer he was forced to resign his Naval commission after dishonoring the office corps by having sex with the unmarried daughter of a shipyard director and refusing to marry her Dougherty writes of his seemingly hopeless job prospects as an untrained civilian during Germany's hyperinflation and unemployment and his joining the Nazi party through the attraction to Nazism of his fiancée Lina von Osten and her father along with the rumor shadowing him of a strain of Jewishness inherited from his father's side And we follow Heydrich's meteoric rise through the Nazi high command from SS major to colonel to brigadier general before he was thirty deputy to Heinrich Himmler expanding the SS the Gestapo and developing the Reich's plans for the Jewish solution And throughout we hear the voice of Lina Heydrich who was by his side until his death at the age of thirty eight living inside the Nazi inner circles as she waltzed with Rudolf Hess feuded with Hermann Göring and drank vintage wine with Albert Speer

The 'Final Solution' in Riga Andrej Angrick, Peter Klein, 2012 With its over thousand detailed and expansive footnotes drawing on twenty four different archive collections in eight countries and three continents and an enormous secondary literature this is one of the best researched regional studies of the Holocaust ever to appear It is helped by the fact that the authors are also always so cognizant of what was happening elsewhere in Europe at the same time and thus frequently draw out the relationship between seemingly haphazard local decisions and trends across Europe Indeed the way in which the book makes sense of complex institutional behavior is at times breathtaking The precision in the detail and the scope of the contextualization make this one of the more important works to appear on the Holocaust in recent years English Historical Review This very readable and well documented study fills an important gap in the Holocaust literature it offers insight into the microcosm reflecting the entire terrifying and murderous scenario of the SS State Frankfurter Allgemeine Zeitung This excellent study of the Riga ghetto informed by Eastern European sources and available now in English translation provides a precise and ghastly description of what the liquidation meant for the local Jews With laudable thoroughness they describe the organized shooting of Jews the first form of industrial scale mass murder The New York
