Executioner Blood Harvest Executioner Audio:

Blood Harvest Tessa Dawn ,2021-03-09 Beneath the dusky glow of a millennium moon an ancient mystery is unfolding Two very different vampires have each consumed a vial of blood containing the life force of two primordial princes both presumed to be dead Drink this blood and welcome life drink this blood and welcome death And the contents are stirring quickening awakening Braden Bratianu was only five years old when he was sired into the Vampyr race The only fledgling to be made not born he struggled with his new identity his past human frailties and how to forge a new place in an ancient lethal society Yet over time he also displayed several uncanny abilities divine intuition precognition and an inherent understanding of cryptic texts and archaic spells His very soul seems to be linked to the heartbeat of the house of Jadon Kristina Riley Silivasi came from a troubled home and a tragic past Rescued from a Dark One by an Ancient Master Healer then mistaken for an ancient vampire s destiny she was swiftly ushered into a terrifying universe enduring everything from conversion to betrayal Though she survived even thrived her wounds her insecurities and her deep seated fears have never left her When a beloved son of Jadon and a beleaguered daughter of chance are caught in a web of illusion they must each summon bravery learn to discern truth from a lie and dare to risk love or forfeit the future The celestial gods cannot save them They will live or die by the strength of their choices and reap what they sow reward or ruin *Words on Cassette*, 2002 R R Bowker Publishing,2002 **Blood Harvest** Don Pendleton,1996-07-25 A macabre wave of death puts Mac Bolan on the streets of New Orleans where human organs are being sold to the highest bidders **Mummies, Cannibals and Vampires** Richard Sugg,2015-11-06 Mummies Cannibals and Vampires charts in vivid detail the largely forgotten history of European corpse medicine which saw kings ladies gentlemen priests and scientists prescribe swallow or wear human blood flesh bone fat brains and skin in an attempt to heal themselves of epilepsy bruising wounds sores plague cancer gout and depression In this comprehensive and accessible text Richard Sugg shows that far from being a medieval therapy corpse medicine was at its height during the social and scientific revolutions of early modern Britain surviving well into the eighteenth century and amongst the poor lingering stubbornly on into the time of Queen Victoria Ranging from the execution scaffolds of Germany and Scandinavia through the courts and laboratories of Italy France and Britain to the battlefields of Holland and Ireland and on to the tribal man eating of the Americas Mummies Cannibals and Vampires argues that the real cannibals were in fact the Europeans Picking our way through the bloodstained shadows of this remarkable secret history we encounter medicine cut from bodies living and dead sacks of human fat harvested after a gun battle gloves made of human skin and the first mummy to appear on the London stage Lit by the uncanny glow of a lamp filled with human blood this second edition includes new material on exo cannibalism skull medicine the blood drinking of Scandinavian executions Victorian corpse stroking and the magical powers of candles made from human fat In our quest to understand the strange paradox of routine Christian cannibalism we move from the Catholic vampirism of the Eucharist through the routine filth and
