Frederic Remington's Own West. Written and Illustrated by F. Remington. Edited and with an Introduction by Harold McCracken Frederic REMINGTON, Harold McCracken, 1960 **Frederic Remington's Own West** Frederic Remington, 2015-11-06 A collection of Frederic Remington's writings complemented by more than one hundred of his famous drawings provides an exciting record of the Old West as it once was with tales of cowboys Indians and soldiers *Frederic Remington's Own West* Frederic Remington, 1960 **Frederic Remington's Own West** Harold McCracken, 1994-04 Selected writings and drawings capture the Western artist's ideas and observations of life in the Old West **Frederic Remington's Own West** Harold McCracken, 1987 Frederic Remington's Own West Frederic Remington, 1960 Great western artist's eyewitness accounts of his adventures on the frontier *Frederic Remington Own West*, 1960 Frederick Remington's Own West Frederic Remington, 1961 The Mythical West Richard W. Slatta, 2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America's most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody's Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs *A Literary History of the American West* Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance

Branding the American West Marian Wardle, Sarah E. Boehme, 2016-02-17 Artists and filmmakers in the early twentieth century reshaped our vision of the American West In particular the Taos Society of Artists and the California based artist Maynard Dixon departed from the legendary depiction of the Wild West and fostered new images or brands for western art This volume illustrated with more than 150 images examines select paintings and films to demonstrate how these artists both enhanced and contradicted earlier representations of the West Prior to this period American art tended to portray the West as a wild frontier with untamed lands and peoples Renowned artists such as Henry Farny and Frederic Remington set their work in the past invoking an environment immersed in conflict and violence This trademark perspective began to

change however when artists enamored with the Southwest stamped a new imprint on their paintings The contributors to this volume illuminate the complex ways in which early twentieth century artists as well as filmmakers evoked a southwestern environment not just suspended in time but also permanent rather than transient Yet as the authors also reveal these artists were not entirely immune to the siren call of the vanishing West and their portrayal of peaceful yet exotic Native Americans was an expansion rather than a dismissal of earlier tropes Both brands cast a romantic spell on the West and both have been seared into public consciousness Branding the American West is published in association with the Brigham Young University Museum of Art Provo Utah and the Stark Museum of Art Orange Texas
