The General Baptist repository, and Missionary observer [afterw.] The General Baptist magazine repository and Missionary observer [afterw.] The General Baptist magazine ,1871 An American Religious Movement Winfred Ernest Garrison,2015-04-17 In an earlier volume I recited the history of the Disciples of Christ under the title Religion Follows the Frontier The phrase was designed to emphasize the fact that this religious movement was born under pioneer conditions on the American frontier in the days when the frontier was just crossing the Alleghenies that much of its formative thinking followed patterns congenial to the frontier mind and that its early expansion kept pace with the westward wave of migration Since that book is now out of print while interest in the theme is increasing it has seemed desirable to rewrite the history If this were merely a sequel to the other I would call it Growing Up with the Country It remains true that the pioneer beginnings must be remembered and understood if the initial motives and methods of the Disciples and the processes of their growth are to be understood But important as the frontier is as a fact in the history of the United States and of every phase of culture in the Middle West an equally significant fact is that as the frontier rolled westward it left behind it a widening area in which pioneer conditions no longer prevailed As the country was growing by the expansive drive of which the frontier was the cutting edge it was also growing up both behind and on the frontier The process of maturing is as significant as that of expanding Since the present purpose is to survey the history of the Disciples through both of these phases I have resisted the allurements of this second title and am giving the book a name which includes both for the movement is distinctively American and every American movement which began in pioneer days and has lived through the cycles of American life until now has both followed the frontier and grown up with the country As to the future I am only a historian not a prophet But I shall be disappointed if this record of the past does not leave with the reader an acquaintance with the essential data upon which using his own judgment and imagination he will be disposed to project the curve of a future development far beyond any present attainments in promoting the ends for which the Disciples of Christ came into existence the unity and purity of the Church a reasonable and practical religion and the enrichment of life through fellowship in the grace of our Lord Jesus Christ

The End of Protest Micah White,2016-03-15 Is protest broken Micah White co creator of Occupy Wall Street thinks so Disruptive tactics have failed to halt the rise of Donald Trump Movements ranging from Black Lives Matter to environmentalism are leaving activists frustrated Meanwhile recent years have witnessed the largest protests in human history Yet these mass mobilizations no longer change society Now activism is at a crossroads innovation or irrelevance In *The End of Protest* Micah White heralds the future of activism Drawing on his unique experience with Occupy Wall Street a contagious protest that spread to eighty two countries White articulates a unified theory of revolution and eight principles of tactical innovation that are destined to catalyze the next generation of social movements

Despite global challenges catastrophic climate change economic collapse and the decline of democracy White finds reason for optimism the end of protest inaugurates a new era of social change On the horizon are increasingly sophisticated movements that will emerge in a bid to challenge elections govern cities and reorient the way we live Activists will reshape society by forming a global political party capable of winning elections worldwide In this provocative playbook White offers three bold revolutionary scenarios for harnessing the creativity of people from across the political spectrum He also shows how social movements are created and how they spread how materialism limits contemporary activism and why we must re-conceive protest in timelines of centuries not days Rigorous original and compelling The End of Protest is an exhilarating vision of an all encompassing revolution of revolution Godspeed David Teems,2017-10-03 For the Protestant reformer times were treacherous The reformer lived moved and exercised his or her faith within the shadow of a powerful church that dominated Western culture Many of these men and women paid the ultimate price for their faith Celebrating the 500th anniversary of the Protestant Reformation Godspeed is a 365 day devotional that features the words of prominent reformers including Martin Luther William Tyndale John Calvin and others thoughtfully illuminated by best selling author David Teems with both historical precision and charm Godspeed Voices of the Reformation possesses a startling relevance for today's reader offering a word of hope and comfort The reformer's voice is clear and bright and comes to us with the authority of heaven Yeshua, the Crucified Serpent Rowland Stenrud,2012-11 It was the atheist Jean Paul Sartre who once said that Hell is other people Rowland Stenrud's Yeshua the Crucified Serpent is about how mankind's savior Jesus of Nazareth has saved men and women from this hell by making it possible and indeed inevitable for human beings to love one another and their Creator Father Yahweh God This book is about the concept and practice of human and divine love The words of Paul in 1 Corinthians 13:1-13 the Bible as a whole and the reader's life experience will help in defining this The author reviews what he knows about the concept and its related precepts and brings them to bear in this book God himself is love which should tell us how mysterious a thing love is To acquire this ability to love one must suffer in union with the suffering Christ Salvation pure and simple is God delivering each one from the inability to love other human beings and the Creator Himself The obstacle to this perfect love is the serpent of human wisdom and pride that existed even in Jesus In his loving obedience to the Father Jesus nailed this serpent to the cross Yeshua the Crucified Serpent attempts to show that the question of evil and suffering in the world is answered by Yahweh's eventual success in saving all of mankind The majority of Christians believe in a number of key doctrines that the biblical authors do not unequivocally teach A few verses may support these unbiblical doctrines but a greater number of verses whose meaning is clearer contradict the standard interpretation of these few verses Other doctrines that Christians mistakenly believe in find support in this or that section of the Bible but are denied by the general thrust of the Bible as a whole These unbiblical doctrines followed by the correct biblical teaching are 1 Sometime in the distant past a large number of God's angels rebelled against Him becoming what are called devils or demons

whose leader is known as Satan or Lucifer The Bible teaches that the only agent of evil in the universe is man s heart 2 Adam and Eve possessed the perfection of Jesus Christ before they sinned If they had not sinned they would not have needed to be healed of any weakness The Bible teaches that Adam and Eve could not have had eternal life even before they sinned without the work of Jesus of Nazareth 3 Faith is an act of the free will of man The Bible teaches that faith does involve man putting his trust in God s promises and revelation but it is primarily a power given to man by God in order to enable him to see spiritual truth the natural man cannot see Without this gift of the Holy Spirit no human being can know God and be saved 4 Ultimately speaking we are saved by our faith On the contrary it is through Jesus s faith in and love for the Father that is the instrument of our salvation 5 Jesus saved us by paying the penalty due our sins and therefore saving us from the just wrath of God This is false No one had to pay any penalty for God to forgive the sins of the human race God relates to sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid By going to the cross Jesus healed our brokenness which forgiveness alone could not accomplish 6 Satan and the sins of men are ultimately responsible for human suffering False God is ultimately responsible for human suffering as it is a necessary part of God s work of saving human beings God Himself shares in all of our suffering physical emotional and spiritual even though He does not have a body or nervous system 7 Salvation is about our eternal destiny This is not correct Salvation is about being saved from the idolatries addictions corruption hatreds evil deeds that afflict the unsav
