Lefever, 2000 **Addicted to Reform** John Merrow, 2017-08-15 The prize winning PBS correspondent s provocative antidote to America s misguided approaches to K 12 school reform During an illustrious four decade career at NPR and PBS John Merrow winner of the George Polk Award the Peabody Award and the McGraw Prize reported from every state in the union as well as from dozens of countries on

everything from the rise of district wide cheating scandals and the corporate greed driving an ADD epidemic to teacher training controversies and America's obsession with standardized testing Along the way he taught in a high school at a historically black college and at a federal penitentiary Now the revered education correspondent of PBS NewsHour distills his best thinking on education into a twelve step approach to fixing a K 12 system that Merrow describes as being addicted to reform but unwilling to address the real issue American public schools are ill equipped to prepare young people for the challenges of the twenty first century This insightful book looks at how to turn digital natives into digital citizens and why it should be harder to become a teacher but easier to be one Merrow offers smart essential chapters including Measure What Matters and Embrace Teachers that reflect his countless hours spent covering classrooms as well as corridors of power His signature candid style of reportage comes to life as he shares lively anecdotes schoolyard tales and memories that are at once instructive and endearing Addicted to Reform is written with the kind of passionate concern that could come only from a lifetime devoted to the people and places that constitute the foundation of our nation It is a big book that forms an astute and urgent blueprint for providing a quality education to every American child

Overcoming Sexual Terrorism Jake Goldenflame, 2006 WHY CASTRATION WON'T WORK Many times you will hear people say Why don't we just castrate all the sex offenders That will do the job But in fact it won't for some very simple reasons First long term studies have already shown that in spite of all the media hype most convicted sex offenders up to 75% of them do not re-offend Hanson 1999 To castrate them is a waste of time Secondly most children are not molested by them Most children are molested by someone they know and trust like a friendly neighbor down the street or a school teacher volunteer in some youth group or at the church Often unfortunately by a relative in the family be that an older brother cousin an inlaw or step parent Because none of them have been caught we don't call them sex offenders and as a result castrating all the sex offenders won't get them They will still be left just as free as before There is a better answer Records now show that when convicted sex offenders are given exactly the kind of treatment and counseling in that is described in this book re-offense rates are cut by 60% Alexander 1999 It is not terribly complicated It isn't just a lot of theories It is just simple blunt honesty making men face the reality of what they are doing and how it is also wrecking their own lives then training them in the steps it takes to stop doing so That is what does it right there Here is the book that tells it all In ten chapters I relate how it happened that I became a child molester and got over it That was almost 20 years ago now and I remain re-offense free with no further convictions or arrests The lessons from it that you can use to protect your children are given at the end of each chapter If you follow them your child will be safer than ever before Steps that sex offenders can take to earn their way back into the community and a prescription for the healing of America conclude the work The readers resources section includes a listing of further books journals websites referral agencies and self recovery organizations that may also be of use to those who want more information Fully indexed the book will be a useful guide in all future child sex abuse trials If you have any questions write

The Top Books of the Year Kick The Habit Overcoming Addiction Using The 12 Step Programme The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Kick The Habit Overcoming Addiction Using The 12 Step Programme : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Kick The Habit Overcoming Addiction Using The 12 Step Programme : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Kick The Habit Overcoming Addiction Using The 12 Step Programme : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
