Cofer, 2014-04-24 Jordan Cofer examines the influence of the Bible upon Flannery O'Connor's fiction While there are many studies exploring how her Catholicism affected her fiction this book argues that O'Connor is heavily influenced by the Bible itself Specifically it explicates the largely undocumented ways in which she used the Bible as source material for her work It also shows that rhetorically many of O'Connor's stories and/or characters are based upon biblical models Furthermore Cofer explains how O'Connor's stories engage their biblical analogues in unusual unexpected and sometimes grotesque ways as her stories manage to convey essentially the same message as their biblical counterparts Throughout O'Connor's work there are significant biblical allusions which have been neglected or previously undiscovered This book acknowledges her biblical source material so readers can understand the impact it had on her fiction Cofer argues that readers can better appreciate her work by examining how her stories are often grounded in specific biblical texts which she similarly distorts exaggerates and subverts in order to shock and teach readers Simply put O'Connor doesn't merely reference these biblical stories she rewrites them

Flannery O'Connor and Teilhard de Chardin Steven Robert Watkins, 2009 Flannery O'Connor the renowned short story writer lived and fought a tumultuous battle with lupus erythematosus most of her adult life In her last five years she sought insightful and helpful sources to alleviate her struggle with the disease Among these sources were the ideas and thoughts of a Jesuit paleontologist mystic by the name of Pierre Teilhard de Chardin an individual who opened doors of witness to the secular world and attracted suspicious questioning from his Catholic superiors Like a moth drawn to a flame Flannery O'Connor a devoted Thomist increasingly admired the ideas of Teilhard de Chardin to the point that she incorporated his ideas into her last six short stories in the collection Everything That Rises Must Converge This book adds

significantly to the neglected study of Teilhard de Chardin's influence in the later literary development of Flannery O'Connor. This book would be a valuable asset to students and scholars focusing on American literature Southern literature twentieth century Southern female writers and Flannery O'Connor.

Flannery O'Connor Harold Bloom, 2009 Presents a brief biography of Flannery O'Connor thematic and structural analysis of her works critical views and an index of themes and ideas

Flannery O'Connor, Walker Percy, and the Aesthetic of Revelation John Sykes, 2007 Examining the writings of Flannery O'Connor and Walker Percy against the background of the Southern Renaissance from which they emerged Sykes explores how the writers shared a distinctly Christian notion of art that led them to see fiction as revelatory but adopted different theological emphases and rhetorical strategies Provided by publisher

Doing Good, Departing from Evil Carole J. Lambert, 2009 Doing Good Departing from Evil Research Findings in the Twenty First Century emphasizes that goodness must be actively enacted not abstractly discussed that evil is present and must be fought and that in depth research into problems provides wisdom to proceed with that battle in the new century Eleven scholars investigate problematic topics and offer potential guidance about racism propaganda marital tensions educational inequities college dropouts elders depression neglect of the disabled and even peacemaking between faith based and secular social work agencies as well as Israelis and Palestinians This collection offers no easy answers to complex problems but points the way to potentially positive modes of mending the world and invites readers to share in this challenging task

The Incarnational Art of Flannery O'Connor Christina Bieber Lake, 2005 The Incarnational Art of Flannery O'Connor argues that O'Connor designed a unique aesthetic to defy the Gnostic dualisms that characterize American intellectual and spiritual life Focusing on stories with artist figures objets d'art child protagonists and embodied images Lake describes how O'Connor's fiction actively resisted romantic theories of the imagination and religious life by highlighting the epistemological necessity of the body Ultimately O'Connor challenges the romantic and modern notion of the artist as a fire stealing Prometheus and replaces it with a notion of the artist as a locally committed craftsman Drawing upon M.M. Bakhtin's early essays in Art and Answerability and Toward a Philosophy of the Act Lake illustrates O'Connor's conviction that art deliberately assigns the highest value of transcendental beauty to those beings least valued by the modern world and challenges us to do the same The book culminates with an original reading of Parker's Back that shows how in art as in life true knowledge comes to us through our own grotesque bodies and those of others Unafraid of the mystery of being human art can be the place where we encounter anew the world as more than what the intellect can unravel

Inside the Church of Flannery O'Connor Joanne Halleran McMullen, Jon Parrish Peede, 2008 Concerning the debate of classifying O'Connor as a religious writer this book features essays by some of the leading scholars who have advanced the codification of O'Connor as a writer preoccupied with religious and especially Catholic themes
