The Prayer of Faith and Deliverance by Praying and Confessing the Word of God* Larry Wilson, The Servant of The Most High, 2022-06-10 The prayers in this book are designed to demolish all the wiles of the devil in our personal lives and in the lives of the members of our household We need powerful prayers to abolish the works of the evil one in our lives God's Word released through our mouth will cause his power to be manifested in our lives He watches over his word to perform it The Word of God is like the fire that burns it is the hammer that breaks the rocks in pieces Jeremiah 23 29 For the weapons which we use are not earthly weapons but of the might of God by which we conquer rebellious strong holds casting down imaginations and every false thing that exalts itself against the knowledge of God and capturing every thought to the obedience of Christ 2 Corinthians 10 4 5 It is important that we the believers be strong in the LORD and in the power of his might We walk and war in His strength and this requires humility and total dependence on God We must depend on His Word and His Spirit to overcome the darkness of this world Ephesians 6 12 13 For your conflict is not only with flesh and blood but also with the angels and with powers and with the rulers of this world of darkness the evil spirits under the heavens Therefore put on the whole armor of God that you may be able to meet the evil one and being prepared you shall prevail This was key to David's victories David was a king who knew how to depend upon God David won his battles and overcame all his enemies through the power and might of God This was done by prayer David knew how to reach God through prayer

**Scottish Ghost Stories** Elliott O'Donnell, 2015-10-17 No one is more interested in Psychical Investigation Work than Miss Torfrida Vincent one of the three beautiful daughters of Mrs H de B Vincent who is herself still in the heyday of life and one of the loveliest of the society women I have met Though I have known her sisters several years I only met Torfrida for the first time a few months ago when she was superintending the nursing of her mother who had just undergone an operation for appendicitis One day when I was visiting my convalescent friend Torfrida informed me that she knew of a haunted house in Edinburgh a case which she felt sure would arouse my interest and enthusiasm It is unfortunate she added somewhat regretfully that I cannot tell you the number of the house but as I have given my word of honour to disclose it to no one I feel sure you will excuse me Indeed my friends the Gordons who extracted the promise from me have got into sad trouble with their landlord for leaving the house under the pretext that it was haunted and he has threatened to prosecute them for slander of title The house in question has no claim to antiquity It may be eighty years old perhaps a little older and was at the time of which I speak let out in flats The Gordons occupied the

**Ghost Stories** Rudyard Kipling,2015-01-06 This is not exactly a book of downright ghost stories as the cover makes belief It is rather a collection of facts that never quite explained themselves All that the collector is certain of is that one man insisted upon dying because he believed himself to be haunted another man either made up a wonderful lie and stuck to it or visited a very strange place while the third man was indubitably crucified by some person or persons unknown and gave an extraordinary account of himself Rudyard Kipling The tales are quite as grisly as any one will demand although Mr Kipling makes fun of all of them and insinuates that they can be traced back to some variety of Indian fever or to the high spirits which are absorbed from bottles with popular labels N Y Herald      The Annual Register, Or a View of the History, Politics, and Literature for the Year ... ,1782      100 Tales from the Tokyo Ghost Café Julian Sedgwick,2023-11-23 A ghostly journey through Northern Japan in search of yokai monsters and the Otherworld told equally in manga and prose by Julian Sedgwick and Chie Kutsuwada      **Pronouns in Literature** Alison Gibbons,Andrea Macrae,2018-01-04 This edited collection brings together an international interdisciplinary group of scholars who together offer cutting edge insights into the complex roles functions and effects of pronouns in literary texts The book engages with a range of text types including poetry drama and prose from different periods and regions in English and in translation Beginning with analyses of the first person pronoun it moves onto studies of the subject dynamics of first and second person before considering plural modes of narration and how pronoun use can help to disperse narrative perspective The volume then debates the functional constraints of pronouns in fictional contexts and finally reflects upon the theoretical advancements presented in the collection This innovative volume will appeal to students and scholars of linguistics stylistics and cognitive poetics narratology theoretical and applied linguistics psychology and literary criticism      The Ghost in the Attic George Sands Bryan,1926      **The annotated household Shakspeare.
