Self-Hypnosis and Subliminal Technology Eldon Taylor, 2023-08-01 This life changing how to guide demystifies self hypnosis and subliminal technology to demonstrate how they are effective tools for your self improvement journey Everybody has some character trait he or she would like to change and there are many techniques available to facilitate these changes Unfortunately many of them are either impractical or expensive or both Most people are somewhat familiar with hypnosis and subliminal technology but are reluctant to use them as serious self help tools In large part this is due to the fact that they ve been mired in mystique urban legend and disinformation The truth is that both self hypnosis and subliminal communication are backed by extensive research that demonstrates their efficacy More important once learned they can be customized for any situation and used almost anytime and anywhere Join Eldon Taylor on your own self improvement exploration using the tools in this book and on the accompanying audio download Experience hypnosis and subliminal patterning for yourself **American Bookseller** ,1987 *Self Hypnosis Tame Your Inner Dragons* Noel Eastwood, 2016-09-17 Psychotherapist Noel Eastwood takes you on an inner journey of self discovery and healing He draws upon numerous case studies to demonstrate how ordinary people can overcome limiting beliefs and traumatic experiences using self hypnosis The author illustrates how to use exercises from NLP Inner Child Gestalt therapy Arnold Mindell s process therapy Jungian psychotherapy and traditional Taoist meditation techniques Journey into your deep unconscious using simple self hypnosis techniques to uncover the dragons feeding on your sadness loneliness anxiety anger and fear Learn how to tame your dragons and release yourself from limiting beliefs Embedded in this book are a multitude of simple tools and techniques of self hypnosis that can change your life develop undiscovered talents and allow you to live fearlessly The author s message is that we are empowered by choice and never limited by fate The book is loaded with a wealth of true stories from elite athletes age regression past lives children s problems imagery and remote viewing working with archetypes stress reduction and many spiritual and psychic growth exercises Combining 30 years of experience with self hypnosis psychodynamic psychotherapy guided imagery and meditation this book is fast becoming a classic in the field of mind control and spiritual growth It includes chapters for elite sports martial arts guided imagery for your child s nightmares anxiety and weight loss scripts how to heal your inner child of trauma astral travel and how to develop your kundalini to name just a few Reviews An incredible book utterly riveting absolutely magical SP I really liked this book and thought it was a good read If you are someone that meditates I m sure you will also find it interesting It s not that long and not very expensive so for me it s like why not I m a big fan of self hypnosis as I used it to achieve a beautiful birth several years ago Since then I have been kind of doing my own thing meditating but this book really helped me expand my mental exercises It essentially gives a ton of different ways to explore your own psyche I find it to be a very helpful guide to self hypnosis The chapter on scary dreams tremendously helped me navigate this problem with my 5 year old daughter Now each night before bed she gets so excited to

go to her personal Fantasyland where we often deal with the things that are troubling her in a safe and self empowered way For this reason alone it was worth it to me Also I m a lifelong student of astrology and I loved his combination of these two worlds astrological archetypes and deep meditation Good stuff AT This a fun book to read Noel s writing style is informative and flows nicely I have the Kindle version Buy it you ll like it MK Digs deep into the issues of life be it struggles or challenges noel not only explains the roots of inner dragons but also describes how to identify them Living with Dragons is an insightful and practical look at the negative thoughts and emotions that can impede our lives on a daily basis This book will not only help you shed light on things you may have tried to hide but it will also guide you towards practical steps to slay your Dragons No matter what negativity fills your inner World Living with Dragons will help you move towards it face it head on and squash it C This work is a vital and necessary tool for anyone wishing to understand and confront their inner demons or dragons as Noel so aptly names them His prodigious experience as a clinical psychologist is clearly apparent here yet it is not couched in confusing medical terminology but instead with mythologies we all know and instructions on how to that are so very easy to read and to understand In fact he makes it hard not to want to attempt this journey inward and to meet those inner dragons that we all have somewhere within Herein he gives invaluable directions on ways in which to make this inward journey via trance and self hypnosis methods both safely and productively The examples he gives are not only fascinating but intensely engaging in every way This work is inspiring exciting and riveting and I strongly recommend it S *Subliminal Communication Technology* United States.
