The Gospel According to Thomas ,1983 **Our Godly Sexual Beings** Donna Mack with Kristi Miller,2023-09-08 Our Godly Sexual Beings explores scripture and other ancient texts to unveil one of humanity s great mysteries God s purpose for designing our Godly sexual beings After thirty years of committed research and study Donna Mack perceived an essential missing link from the age old battle of God vs Satan While other books have attempted to discuss human sexuality none have done so with as many biblical and scholarly backed references as Our Godly Sexual Beings One fascinating revelation in scripture is just how sacred human sexuality exists for God The Bible sings with this truth and Donna dives into this mystery to reveal the greatest love story ever told With the help of over 1 300 references Donna uncovers God s design for sex and Satan s influence that morphed this gift into a lie of lust This book is full of many revelations and truths that will allow the reader to experience freedom from sexual sin shame and bondage **The Words of Jesus in the Gospel of Thomas** David W. Kim,2021-07-01 This book offers a detailed analysis of the Gospel of Thomas in its historic and literary context providing a new understanding of the genesis of the Jesus tradition Discovered in the twentieth century the non canonical Gospel of Thomas is an important early text whose origins and place in the history of Christianity continue to be subjects of debate Aiming to relocate the Thomasine community in the wider context of early Christianity this study considers the Gospel of Thomas as a bridge between the oral and literary phases of the Christian movement It will therefore be useful for Religion scholars working on Biblical studies Coptic codices gnosticism and early Christianity *The Gospel of Thomas* Dr. Samuel Wyndham,2025-02-02 In this compelling exploration of early Christian writings The Hidden Gospels uncovers the secrets of one of the most intriguing and controversial texts of the ancient world The Gospel of Thomas Long considered lost to history this ancient collection of sayings attributed to Jesus offers a unique and profound perspective on his teachings and spiritual message Through careful analysis and historical context this book delves into the Gospel s radical reinterpretation of Christian beliefs revealing a more mystical and introspective side of Jesus teachings that challenges traditional doctrines It explores themes of personal spiritual enlightenment the search for inner truth and the contrasts between Gnostic and orthodox Christian traditions The Gospel of Thomas with its enigmatic sayings and thought provoking wisdom has captivated scholars and spiritual seekers alike raising questions about faith knowledge and the untold history of Christianity The Hidden Gospels invites readers to uncover the transformative power of this lost text and its relevance to modern spiritual exploration Join us on a journey through time and theology where the forgotten wisdom of early Christianity offers new insights into our own faith identity and understanding of the divine **A Commentary on the Gospel of Thomas** Petr Pokorný,2011-12-22 This commentary is opened by a study offering information about all aspects of the Gospel of Thomas especially about its relation to other texts of early Christian literature including the canonical Gospels The successive commentary is based upon the Coptic version and discusses also all fragments of the original Greek text The volume is divided into two parts The first

discusses the function of each logion saying within the frame of piety and theology of the Thomasine group for which the Gospel is composed The second part discusses its literary shape and its history including its relation to the historical Jesus The result is a portrait of the Gospel as a radical interpretation of Jesus heritage still preserving some forgotten features of his teaching Tatian and the Gospel of Thomas Gilles Quispel,2023-08-14 **Gospel Writing** Francis Watson,2013-05-26 That there are four canonical versions of the one gospel story is often seen as a problem for Christian faith where gospels multiply so too do apparent contradictions that may seem to undermine their truth claims In Gospel Writing Francis Watson argues that differences and tensions between canonical gospels represent opportunities for theological reflection not problems for apologetics Watson presents the formation of the fourfold gospel as the defining moment in the reception of early gospel literature and also of Jesus himself as the subject matter of that literature As the canonical division sets four gospel texts alongside one another the canon also creates a new complex textual entity more than the sum of its parts A canonical gospel can no longer be regarded as a definitive self sufficient account of its subject matter It must play its part within an intricate fourfold polyphony and its meaning and significance are thereby transformed In elaborating these claims Watson proposes nothing less than a new paradigm for gospel studies one that engages fully with the available noncanonical material so as to illuminate the historical and theological significance of the canonical **New Testament Apocrypha: Gospels and related writings** Edgar Hennecke,Wilhelm Schneemelcher,Robert McLachlan Wilson,1963 This English translation of the new and thoroughly revised sixth German edition of the extensive extra canonical gospel literature is an absolutely indispensable collection of sources for every student of the New Testament and of the history and literature of ancient Christianity The reader will find lucid accounts of the results and questions of the intensive and exciting international scholarly debate of the last two decades Zen and the Gospel of Thomas Joanne P. Miller,2018-08-14 Zen and the Gospel of Thomas illuminates sacred mysterious wisdom from two traditions revealing how these profound teachings apply to our everyday life and spiritual practice Imagine that the Buddha asked Jesus to write a text for a Zen audience that would explain his take on the mysteries of his Kingdom Imagine also that Jesus chose to present it in a set of short koanlike sayings similar to the classic koan collections of the Zen tradition This is in essence the gnostic Gospel of Thomas A Zen reading of Thomas allows us to access the living Jesus through Buddhist eyes so we can add to and refine our own practice with his wisdom Likewise Thomas can be a gateway for Christians to make use of Zen Like the Buddha this Jesus of Thomas wishes us to realize individually and personally the truth of the eternal He offers teachings for the whole of our lives dealing with such topics as the proper use of money how to foster wisdom and insight the nature of awakening and non attachment love and judgment how to rest in the essential and the nature of what it means to be an enlightened person Like koans the sayings in the Gospel of Thomas ask each of us to discover the same secrets of mystery that Jesus himself discovered and to live out that knowledge in our own unique way **The Gospel of Thomas and Christian Origins** Stephen J. Patterson,2013-07-25 The
