1 And the angel answered and said unto the women, Rise and go, tell my Lord Jesus, which was crucified.
2 He is not here, but he is risen, as he said. Come, see the place where he lay.
3 And go, tell my Lord Jesus, which was crucified.

1 And entering into the sepulchre, they saw a young man sitting on the right side, clothed in a long white garment; and they were affrighted.
2 And he saith unto them, Be not affrighted: Ye seek Jesus of Nazareth, which was crucified: he is not here: but he is risen: how say ye then that he is here?
3 And he saith unto them, Touch me, and ye shall know that I am the Lord, which was crucified.

2 And they entered in, and found not the body of the Lord Jesus.
3 And it came to pass, as they went away, they were afraid, and stood dumb, and knew not what to say, for they were astonished with fear and stood before the tomb, as they were dumb.
4 And they returned home, and told all these things unto the brethren.
5 And they said unto them, Why stand ye here looking on the earth?
6 Rise up and touch me, and ye shall know that I am the Lord, which was crucified.
7 And they said unto him, We need not touch thee, for we have seen thee: but we would know thy voice, Lord, for thou art risen.
8 And he saith unto them, Touch me, and ye shall know that I am the Lord, which was crucified.

Tables of the Christian Gospels are an absolutely remarkable feature of the early late antique and medieval Christian
manuscript cultures of East and West the invention of which is commonly attributed to Eusebius and dated to first decades of
the fourth century AD Intended to host a technical device for structuring organizing and navigating the Four Gospels united
in a single codex and in doing so building upon and bringing to completion previous endeavours the Canon Tables were
apparently from the beginning a highly complex combination of text numbers and images that became an integral and fixed
part of all the manuscripts containing the Four Gospels as Sacred Scripture of the Christians and can be seen as exemplary
for the formation development and spreading of a specific Christian manuscript culture across East and West AD 300 and
800 In the footsteps of Carl Nordenfalk s masterly publication of 1938 and few following contributions this book offers an
updated overview on the topic of Canon Tables in a comparative perspective and with a precise look at their context of origin
their visual appearance their meaning function and their usage in different times domains and cultures A Critical
Introduction to the New Testament Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not
only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the
religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help
interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich
their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s
identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both
East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own
communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public
Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of
texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other
early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the
Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and
resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he
was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for
the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline
writings and Paul s decisive influence within the history of the church and western culture Catalog of Copyright Entries.
