Read the short passage and answer the questions.

Our Friendly Neighbours

My name is Maria and I live in Mumbai with my grandparents, parents, and my naughty younger brother. Our neighbours are the Naiks, who live in the penthouse. They have a pet, the friendly Beagle, named Oliver. Mr Naik always takes Oliver for a walk in the morning and comes back with little goodies for my brother and me. Mrs Naik is a great cook and whenever they cook anything the aroma floods our house and all of us keep dreaming what it is. Their children are married and live outside Mumbai.

One day, my mom was unwell and had to be hospitalised for a few days, my dad was wondering how to manage food for us. The Naiks came home and told my parents not to worry and they will manage our kitchen. Everyday, they used to come to our house in the morning by 6. 30 am and make our breakfast & lunch, which was always something different and tasty. They used to cook dinner at their home and send it to us. My grandparents also love their cooking.

My dad told me that time, it is a great virtue to help one another at times of need which I will always remember thanks to the Naiks.

1. How many people are there in Maria's house? _____
2. Where were the Naiks living? _____
3. Who was hospitalised and what was the issue because of that?

4. What did Maria learn from this incident?

5. Write down 3 good qualities you think one should have.

The Eschatological Role of the Jerusalem Temple: An Examination of the Jewish Writings Dating from 586 BCE to 70 CE Eric W. Baker, 2015-06 This research aims to investigate the role or roles of the physical Jerusalem temple within the second temple Jewish writings in terms of whether the physical temple has any role to play in relation to the pivot point in eschatology The pivot point or fulcrum in time refers to the end of the exile and perhaps the beginning of the eschaton The exile may be theological but many second temple Jewish texts address the physical gathering of the children of Israel to the land of Israel i.e. from physical exile even if the text also addresses a theological exile thus making the return a complete ingathering of the children of Israel The passages of these ancient texts have been analysed before but never with this lens Looking to see if there is any role the Jerusalem Temple performs in expected eschatological events will at least allow an answer to be given which is better than never asking the question in the first place which has been the case until now This study produces results as the Jerusalem Temple has always been a place of great expectations
