From Plotzk To Boston:

From Plotzk to Boston (Esprios Classics) Mary Antin, 2020-11-16 *From Plotzk to Boston* is an 1899 memoir by author and immigration activist Mary Antin 1881 1949 It chronicles her emigration from her hometown of Polotsk in the Russian Empire now modern Belarus to the United States in 1894 focusing primarily on her observations of life in unfamiliar surroundings the emotional trials endured by her family and the hardships that accompanied their passage to and eventual settlement in Boston Massachusetts Her first major publication it laid the groundwork for her later autobiography and most famous work *The Promised Land* 1912 Compiled from a series of letters that Antin wrote to her uncle describing her family's journey to America in 1894 *From Plotzk to Boston* was inspired by the difficulties that compelled them to leave their homeland as well as Antin's own literary upbringing *From Plotzk to Boston - An Immigrant's Story* Mary Antin, 2018-08-31 Written from the author's own personal experiences of her journey from Polotsk Russia to Boston USA in 1894 at the age of 11 This early work published in 1899 is a fascinating look at American history and immigration Mary Antin's vivid description of all she and her dear ones went through enables us to see almost with our own eyes how the invasion of America appears to the impecunious invader It is thus a human document of considerable value as well as a promissory note of future performance Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *From Plotzk to Boston* Mary Antin, 2022-09-16 DigiCat Publishing presents to you this special edition of *From Plotzk to Boston* by Mary Antin DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature *From Plotzk to Boston* Mary Antin, 2013-10 The infant phenomenon in literature is rarer than in more physical branches of art but its productions are not likely to be of value outside the doting domestic circle Even Pope who lisped in numbers for the numbers came did not add to our Anthology from his cradle though he may therein have acquired his monotonous rocking metre Immaturity of mind and experience so easily disguised on the stage or the music stool even by adults is more obvious in the field of pure intellect The contribution with which Mary Antin makes her debut in letters is however saved from the emptiness of embryonic thinking by being a record of a real experience the greatest of her life her journey from Poland to Boston Even so and remarkable as her description is for a girl of eleven for it was at this age that she first wrote the thing in Yiddish though she was thirteen when she translated it into English it would scarcely be worth publishing merely as a literary curiosity But it happens to possess an extraneous value For despite the great wave of Russian immigration into the United States and despite the noble spirit in which the Jews of America have grappled with the invasion we still know too little of the inner feelings of the people themselves nor do we adequately realize what magic vision

of free America lures them on to face the great journey to the other side of the world **From Plotzk to Boston (1899)**

Mary Antin, 2014-08-07 This Is A New Release Of The Original 1899 Edition From Plotzk to Boston Antin

Mary, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy From Plotzk to Boston - Scholar's Choice Edition Mary Antin, 2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **From Plotzk to Boston, by Mary Antin, with**

a foreword by Israel Zangwill Mary Antin, 1899 From Plotzk to Boston Mary Antin, Israel Zangwill, 2016-02-14 Mary Antin's vivid description of all she and her dear ones went through enables us to see almost with our own eyes how the invasion of America appears to the impecunious invader It is thus a human document of considerable value as well as a promissory note of future performance The quick senses of the child her keen powers of observation and introspection her impressionability both to sensations and complex emotions these are the very things out of which literature is made the raw stuff of art **From Plotzk to Boston** Mary Antin, 2018-08-14 From Plotzk to Boston by Mary Antin The infant phenomenon in literature is rarer than in more physical branches of art but its productions are not likely to be of value outside the doting domestic circle Even Pope who lisped in numbers for the numbers came did not add to our Anthology from his cradle though he may therein have acquired his monotonous rocking metre Immaturity of mind and experience so easily disguised on the stage or the music stool even by adults is more obvious in the field of pure intellect The contribution with which Mary Antin makes her d but in letters is however saved from the emptiness of embryonic thinking by being a record of a real experience the greatest of her life her journey from Poland to Boston Even so and remarkable as her description is for a girl of eleven for it was at this age that she first wrote the thing in Yiddish though she was thirteen when she translated it into English it would scarcely be worth publishing merely as a literary curiosity But it happens to possess an extraneous value For despite the

great wave of Russian immigration into the United States and despite the noble spirit in which the Jews of America have grappled with the invasion we still know too little of the inner feelings of the people themselves nor do we adequately realize what magic vision of free America lures them on to face the great journey to the other side of the world We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

From Plotzk to Boston (Classic Reprint) Mary Antin,2015-07-11 Excerpt from From Plotzk to Boston America have grappled with the invasion we still know too little of the inner feelings of the people themselves nor do we adequately realize what magic vision of free America lures them on to face the great journey to the other side of the world About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Boston Modern Judith Arlene Bookbinder,2005 A fresh incisive study of the expressionist approach to modern art in Boston **From Plotzk to Boston** Mary Antin,1899 **The Oxford Companion to American Literature** James David Hart,1948 The Promised Land Mary Antin,1997-02-01 Interweaving introspection with political commentaries biography with history The Promised Land 1912 brings to life the transformation of an East European Jewish immigrant into an American citizen Mary Antin recounts the process of uprooting transportation replanting acclimitization and development that took place in my own soul and reveals the impact of a new culture and new standards of behavior on her family A feeling of divisions between Russia and America Jews and Gentiles Yiddish and English ever present in her narrative is balanced by insights amusing and serious into ways to overcome them In telling the story of one person The Promised Land illuminates the lives of hundreds of thousands This Penguin Twentieth Century Classics edition includes eighteen black and white photographs from the book s first edition and reprints for the first time Antin s essay How I wrote The Promised Land

World of Our Fathers Irving Howe,2017-10-31 The National Book Award winning New York Times bestselling history of Yiddish speaking immigrants on the Lower East Side and beyond In the late nineteenth and early twentieth centuries two

million Jewish immigrants poured into America leaving places like Warsaw or the Russian shtetls to pass through Ellis Island and start over in the New World This is a brilliant account of their stories The New York Times Though some moved on to Philadelphia Chicago and other points west many of these new citizens settled in New York City especially in Manhattan s teeming tenements Like others before and after they struggled to hold on to the culture and community they brought from their homelands all the while striving to escape oppression and find opportunity They faced poverty and crime but also experienced the excitement of freedom and previously unimaginable possibilities Over the course of decades from the 1880s to the 1920s they were assimilated into the great melting pot as the Yiddish language slowly gave way to English work was found in sweatshops children were sent to both religious and secular schools and for the lucky ones the American dream was attained if not in the first generation then by the second or third Nominated for a National Book Critics Circle Award World of Our Fathers explores the many aspects of this time and place in history from the political to the cultural In this compelling American story Irving Howe addresses everything from the story of socialism the hardships of the ghetto and the tragic Triangle Shirtwaist Factory fire that killed scores of garment workers to the Borscht Belt resorts of the Catskills in colorful and dramatic detail Both meticulously researched and lively it is a stirring evocation of the adventure and trauma of migration Newsweek

Quarantine! Howard Markel,2022-03-01 This riveting story of the typhus and cholera epidemics that swept through New York City in 1892 has been updated with a new preface that tackles the COVID 19 pandemic Winner 2003 Arthur J Visel tear Prize for Outstanding Book in the History of Public Health American Public Health Association In Quarantine Howard Markel traces the course of the typhus and cholera epidemics that swept through New York City in 1892 The story is told from the point of view of those involved the public health doctors who diagnosed and treated the victims the newspaper reporters who covered the stories the government officials who established and enforced policy and most importantly the immigrants themselves Drawing on rarely cited stories from the Yiddish American press immigrant diaries and letters and official accounts Markel follows the immigrants on their journey from a squalid and precarious existence in Russia s Pale of Settlement to their passage in steerage to New York s Lower East Side to the city s quarantine islands This updated edition features a new preface from the author that reflects on the themes of the book in light of the COVID 19 pandemic At a time of renewed anti immigrant sentiment and newly emerging infectious diseases Quarantine provides a historical context for considering some of the significant problems that face American society today *United States Jewry, 1776-1985* Jacob Rader Marcus,2018-02-05 Marcus follows the movement of these GermanJews into all regions west of the Hudson River

Herringshaw's American Blue-book of Biography ,1914 **The Nation** ,1899
