Honey Russell Between Games Between Halves

Matthew Goodman

Honey Russell Between Games Between Halves:

Honey Russell John Russell,1986-01-01 **Reciprocities in the Nonfiction Novel** John Russell,2000 Nonfiction novels have usually been associated with the new journalism writers of the 1960s such as Tom Wolfe Norman Mailer and Truman Capote Yet this form has long commanded a key position in the literary canon as John Russell now reveals Russell identifies eleven major works not usually thought of as nonfiction novels such as Isak Dinesen s Out of Africa and E E Cummings s The Enormous Room to create a new definition of the genre He shows that journalistic writing is characterized by a reporter s proprietary stance which undermines reciprocity with subjects while true nonfiction novels feature greater reciprocity and also employ such techniques as circular narrative and bricolage Reciprocities in the Nonfiction Novel contributes to ongoing explorations of literary forms and offers wise commentary on how writing about real life can become art

Honey Russell John Russell,1986 Historical Dictionary of Basketball John Grasso,2010-11-15 In less than 120 years an activity invented by one man to alleviate winter boredom for a college gym class has evolved into a worldwide multi billion dollar enterprise It is impossible for Dr James Naismith basketball s inventor to have envisioned the extent to which his simple game would reach Without major changes to his original 13 rules basketball is now played in more than 200 countries by people of all ages Thanks to basketball players like Michael Jordan Earvin Magic Johnson Larry Bird LeBron James Kobe Bryant and Shaquille O Neal have become some of the most famous people in the world The Historical Dictionary of Basketball is a comprehensive account of all forms of basketball amateur professional men s women s Olympic domestic and international from its invention in 1891 through the present day This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on the people places teams and terminology of the game

The City Game Matthew Goodman,2021-03-02 The powerful story of a college basketball team who carried an era s brightest hopes racial harmony social mobility and the triumph of the underdog but whose success was soon followed by a shocking downfall A masterpiece of American storytelling Gilbert King Pulitzer Prize winning author of Devil in the Grove NAMED ONE OF THE BEST SPORTS BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW The unlikeliest of champions the 1949 50 City College Beavers were extraordinary by every measure New York s City College was a tuition free merit based college in Harlem known far more for its intellectual achievements and political radicalism than its athletic prowess Only two years after Jackie Robinson broke the Major League Baseball color barrier and at a time when the National Basketball Association was still segregated every single member of the Beavers was either Jewish or African American But during that remarkable season under the guidance of the legendary former player Nat Holman this unheralded group of city kids would stun the basketball world by becoming the only team in history to win the NIT and NCAA tournaments in the same year This team though proved to be extraordinary in another way During the following season all of the team s starting five were arrested by New York City detectives charged with conspiring with gamblers to shave points

Almost overnight these beloved heroes turned into fallen idols The story centers on two teammates and close friends Eddie Roman and Floyd Layne one white one black each caught up in the scandal each searching for a path to personal redemption Though banned from the NBA Layne continued to devote himself to basketball teaching the game to young people in his Bronx neighborhood and ultimately with Roman's help finding another kind of triumph one that no one could have anticipated Drawing on interviews with the surviving members of that championship team Matthew Goodman has created an indelible portrait of an era of smoke filled arenas and Borscht Belt hotels when college basketball was far more popular than the professional game It was a time when gangsters controlled illegal sports betting the police were on their payroll and everyone it seemed was getting rich except for the young men who actually played the games Tautly paced and rich with period detail *The City Game* tells a story both dramatic and poignant of political corruption duplicity in big time college sports and the deeper meaning of athletic success *Baseball's Endangered Species* Lee Lowenfish, 2023-04 A comprehensive look at professional baseball scouting from post WWII to the present day **Hoop Crazy** Dennis Gildea, 2013-11-01 Clair Bee 1896 1983 was a hugely successful basketball coach at Rider College and Long Island University with a 412 and 87 record before his career was derailed in 1951 by a point shaving scandal In the trial that sent his star player Sherman White to prison the judge excoriated Bee for creating a morally lax culture that contributed to his players involvement with gambling To a certain extent Bee agreed with the judge's scolding concluding that coaches himself included had become so driven to succeed on the court that they had lost sight of the educational role sports should play His coaching career effectively over Bee launched an effort to reform the ills he saw in college sports and he did so in the pages of the Chip Hilton novels for young readers He began the series in 1948 but it was the post scandal books that he used as teaching tools The books mirrored some of the events of the gambling scandal and were Bee's attempt to reform the problems plaguing college sports He used his fiction to posit a better sports world that he hoped his young readers would construct and inhabit The Chip Hilton books were extremely popular and have become a classic series with over two million copies sold to date **Hoop Crazy** is the fascinating story of Clair Bee and his star character Chip Hilton and the ways in which their lives real and fictional were intertwined **The Originals** Murry Nelson, 1999 Was there really professional basketball before the NBA Indeed there was It was a rugged game but one that continued to evolve swiftly from its invention in 1891 The original Celtics were at the vanguard of this creation and development The team began as a local group of young Irishmen from the Hell's Kitchen area of New York City in 1914 Through shrewd acquisitions of top players they were transformed into the most powerful basketball team of their time In the period from 1919 to 1928 the Celtics won over seven hundred games with fewer than sixty losses This book chronicles the team the players the league seasons and the early era of professional basketball *Cages to Jump Shots* Robert Peterson, 2002-01-01 Basketball is now over a century old *Cages to Jump Shots* offers an unforgettable glimpse of its exciting and eccentric early years beginning in 1891 when James Naismith

drew up the first rules through decades of growing popularity and professionalism and culminating with its fundamental transformation in the 1950s when the twenty four second shot clock and team foul limit were instituted Along the way we learn about all those who were drawn to the game players officials owners and fans and why so many came to love it Drawing on extensive research and a host of interviews with veteran players Robert W Peterson vividly recreates the rough and tumble basketball games of long ago and shows why basketball has become such a celebrated part of American life today This Bison Books edition features an updated appendix of early pro basketball teams Batboys and the World of Baseball Neil D. Isaacs,1995 A unique look at baseball s clubhouse culture through the eyes of batboys **Basketball** David L. Porter,2005-07-30 From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men This volume is an ideal reference for students seeking easily accessed information on the greats of the game **Making March Madness** Chad Carlson,2017-08-15 Throughout the NCAA Tournament s history underdogs Cinderella stories and upsets have captured the attention and imagination of fans Making March Madness is the story of this premiere tournament from its early days in Kansas City to its move to Madison Square Garden to its surviving a point shaving scandal in New York and taking its games to different sites across the country Chad Carlson s analysis places college basketball in historical context and connects it to larger issues in sport and American society providing fresh insights on a host of topics that readers will find interesting illuminating and thought provoking *New York Sports* Stephen Norwood,2018-06-01 New York has long been both America s leading cultural center and its sports capital with far more championship teams intracity World Series and major prizefights than any other city Pro football s Greatest Game Ever Played took place in New York along with what was arguably history s most

significant boxing match the 1938 title bout between Joe Louis and Max Schmeling As the nation's most crowded city basketball proved to be an ideal sport and for many years it was the site of the country's most prestigious college basketball tournament New York boasts storied stadiums arenas and gymnasiums and is the home of one of the world's two leading marathons as well as the Belmont Stakes the third event in horse racing's Triple Crown New York sportswriters also wield national influence and have done much to connect sports to larger social and cultural issues and the vitality and distinctiveness of New York's street games its ethnic institutions and its sports centered restaurants and drinking establishments all contribute to the city's uniqueness New York Sports collects the work of fourteen leading sport historians providing new insight into the social and cultural history of America's major metropolis and of the United States These writers address the topics of changing conceptions of manhood and violence leisure and social class urban night life and entertainment women and athletics ethnicity and assimilation and more Sports and the American Jew Steven A. Riess,1998-06-01 This book debunks the conventional stereotype that Jews and sports are somehow anathema and clearly demonstrates that sports have long been a significant institution in Jewish American life Jews were among the very first professional baseball players and the most outstanding early American track stars In the 1920s and 1930s they dominated inner city sports such as basketball and boxing and produced star athletes in virtually all sports Many Jews were also prominent in the business communication and literary aspects of sport These essays written by leading contemporary sports historians examine the contributions of Jewish men and women to American sports Steven A Riess's article on this topic is the most comprehensive overview ever written and will doubtless become a standard reference for years to come Arete ,1985 Seton Hall Pirates Alan Delozier,2002 In the spirit of a refrain from an old athletic cheer Old Setonia dear old Setonia we will sing a song of praise Seton Hall Pirates A Basketball History explores the emerging popularity of hoop action within the context of school history and development of the game at large The hard court history found at Seton Hall University as the program nears its one hundredth year of competition is a story highlighted by a host of topnotch players brilliant coaches and memorable victories Seton Hall Pirates A Basketball History reflects on a sport that celebrates athletic prowess school spirit and spectator appreciation as it relates to the dramatic and colorful drama that is Pirate basketball Basketball began at Seton Hall in 1903 and success with the round ball soon followed for the white and blue From Alumni Hall to the Meadowlands Arena the tradition is alive in the memory of winning seasons under Frank Hill along with immortal squads including the Wonder Five of John Honey Russell in 1941 the National Invitation Tournament champions of 1953 and the 1989 Final Four contingent led by P J Carlesimo which came within one game of winning a national title The talents of such legendary figures as Bob Davies Walter Dukes Richie Regan Nick Werkman Terry Dehere and several other performers and personalities who represented Old Setonia through the ages are also captured within this volume Big Leagues Stephen R. Fox,1998-01-01 Discusses the evolution of baseball football and basketball and offers new perspectives on

established legends **The Achievement of American Sport Literature** Wiley Lee Umphlett, 1991 The essays in this collection help promote the worth of American literature in which sports plays a prominent role Contributors include Leverett T Smith Jr Christian K Messenger Robert W Cochran Ronald K Giles Don Johnson Brooke K Horvath and Sharon G Carson Lyle I Olsen Robert J Higgs Daniel J Herman Mary McElroy and Michael Oriard The Four Seasons Bob Ryan, 1997 Bob Ryan coauthor of Larry Bird's bestselling book Drive and longtime Boston Globe sports columnist takes readers on a journey through four pivotal seasons in the history of New England's four major league professional sports franchises the Celtics basketball the Red Sox baseball the Bruins hockey and the Patriots football Photos **Cumulative Book Index**, 1988 A world list of books in the English language
