Solitude Cecile Czobitko, 2019-08-26 Daniel was living an unfulfilled life He thought that by being a police officer he would be doing his civic duty and bringing good to the world but the last accident he witnessed had shattered that belief All he saw was darkness the worse in people Where was the kindness and the love He felt he needed a break and to get far away from this darkness After a talk with his chief he decided to go on a road trip It was on that trip he found a remote property for sale a wonderful place beside a lake just like he had envisioned It was peaceful and quiet what solitude Daniel would have to make a decision Moving would mean leaving his loving family his twin sister and father leaving the police force and changing his life completely Is that what he really wanted to do Would this place give him the peace he was seeking Would he be able to survive all by himself with no one else around him When he returned to work the darkness hit Daniel again and he knew he could no longer work as a police officer It was then he decided to purchase the property and make the move Now his life was completely changed No longer could he go for coffee at Tim s or to a fast food place for a quick meal He found his life was full of new challenges to overcome a lot of work to do just to survive day by day and new concepts to learn It all depended on him Did he have it in himself to survive Would he find what he was seeking Would he find the peace he craved
