Simons, 2016-10-18 Hope explains very clearly how and where within ourselves love spirituality and healing are connected It also explores specifically what we can do if we want to experience emotional and spiritual healing in ourselves and in our lives *The Afterlife Healing Circle* Candace

Talmadge, Jana Simons, 2015-06-22 The science is probably the most misunderstood and abused of all spiritual practices and carries with it some very real dangers The good news is that the authors of *The Afterlife Healing Circle* have corrected the disinformation while showing us how to avoid the dangers The afterlife healing circle is a way we can safely communicate with those on the other side whether they are loved ones who have passed or future offspring who have not yet been born This unique book will bring hope to the anxious and the inconsolable by showing readers How to recognize when they or others need the afterlife healing circle How to develop the intuitive senses that will enable them to connect with the other side How where and when to conduct the afterlife healing circle safely How the rules of physics prove that consciousness both survives and precedes the physical body It's never too late to say goodbye or too soon to say hello **Healing**
