This Book is Cruelty-Free Linda Newbery,2021-07-08 How do the everyday choices you make affect animals and the environment This book looks at all the things you can do to live cruelty free It s a guide for older children and teenagers concerned about animals wildlife and the planet we live on Packed with information on how to live a cruelty free life it includes sections on Using your spending power The choices we make what to eat what to buy what to wear and how these affect animals Asking questions and reading labels Cruelty free fashion and beauty What s on your plate Being vegetarian or vegan or just eating less meat What impact can your diet have on cruelty and on the environment Should you have a pet If so would your pet choose you as its owner Points to consider before bringing an animal into your home Animals on show Do zoos and animal parks look after animals or exploit them Good zoos and their important conservation work Watching wild animals Watching and learning about wildlife building an appreciation of nature and helping your mental wellbeing Love those bugs Many

people are squeamish about insects but these creatures are vital to ecosystems Don't throw it away there is no away Simple things everyone can do to avoid waste recycling re using choosing plastic free Resist the throwaway culture Where do you draw your line What can you realistically achieve Some of the difficulties especially if family friends don't agree with you What are the best and worst ways of influencing others How to feel confident with your decisions How to handle everyday situations and counter arguments Campaigning anti cruelty organisations to support The power of protest This book will help you to live as cruelty free as possible and to examine all of the areas in your life where you can help animals and the environment Choose to live without cruelty Choose this book and find out how **How to Keep A Werewolf** Fiona

Bowron,2016-10-01 This is a humorous book which starts from the premise that there are many benefits to owning a pet but acknowledges that not everyone is content with conventional animals such as cats and dogs In fact the very adventurous pet owner might prefer a pet that is so exotic that it technically doesn't exist This book suggests therefore that the reader may want to opt for a crypto zoological or mythological creature The main problem with owning such an animal is knowing how to look after it A brief glance through the local paper will reveal a startling lack of adverts offering baby bigfoots free to a good home and there is little in the way of obedience classes for werewolves What you may ask does one feed a baby Mongolian Death Worm Is the giant squid a good choice of pet if you live in a penthouse flat This book gives a description of each animal together with an assessment of its suitability for domestication along with hints and tips on how to obtain and care for your chosen animal Arranged in terms of dangerousness of animal it is designed to be dipped into so that the reader may quickly locate useful information such as how to remove the budgie from the jaws of a newly introduced pet sea monster should the need arise Armed with the information in this book you'll be ready to embark on the rewarding endeavour of owning your very own phoenix dragon or bogeyman Snakes Sonia Hernandez-Divers,2010 Covers the responsibilities and rewards of keeping a pet snake including how to care for it what to feed it and the equipment needed Ferrets June McNicholas,2010 This book covers the responsibilities and rewards of keeping a pet ferret including how to care for it what to feed it and the equipment needed *Hermit Crabs* Tristan Boyer Binns,2010 Discusses what is needed to keep hermit crabs as pets covering such topics as physical characteristics housing diet behavior and health issues
