Hey, everyone. Josh here. 1 I've just returned to my hometown, and I wanted to write something about my experiences there.

Working as a tour guide in Hạ Long Bay was really interesting. 2 There were a lot of things to learn about the caves and karst landscapes there. I learned a lot of new things in the first week! 3

Although I had a great time working in Hạ Long Bay, there were some things that I didn't like much. Being on boats every day made me feel a bit sick, but it was the trash in the water which I really disliked. 4 They should put their trash into the trash can, or take it home with them.

So, how about you guys? 5 What did you think? Would you like to work there someday? Let me know in the comments!

- A. When I started the job, I thought it was very difficult.
- B. If you've been reading this blog for the last few weeks, you'll know that I've been working in Hạ Long Bay as a tour guide.
- C. I'll definitely work there again next summer.
- D. I think that tourists should be more responsible.
- E. At the end of the day, I went squid fishing.
- F. Have you ever been there?
- G. The wildlife in the area is interesting, but it was the unique landscape of Hạ Long Bay which was really impressive.
- H. Seeing my friends is nice, but it was my family that I missed the most.
