the syntactic and conceptual space of complex sentences Explanations for significantly recurrent coding patterns are couched in a usage based approach to language structure which pays due attention to the cognitive and communicative pressures on usage events involving purpose clauses to frequency distributions of grammatical choices in corpora and to the ways in which usage preferences conventionalize in pathways of diachronic change The book integrates diverse previous strands of research on purpose clauses with a thorough empirical analysis in its own right and thus reflects the current state of the art of crosslinguistic research into this distinctive type of adverbial clause An appendix to A Typology of Purpose Clauses can be found on the author s website [www.karsten-schmidtke.net/purpose](http://www.karsten-schmidtke.net/purpose)
