Deportable and Disposable Lisa A. Flores, 2020-10-14 In the 1920s the US government passed legislation against undocumented entry into the country and as a result the figure of the illegal alien took form in the national discourse In this book Lisa A Flores explores the history of our language about Mexican immigrants and exposes how our words made these migrants illegal *Deportable and Disposable* brings a rhetorical lens to a question that has predominantly concerned historians how do differently situated immigrant populations come to belong within the national space of whiteness and thus of American-ness Flores presents a genealogy of our immigration discourse through four stereotypes the illegal alien a foreigner and criminal who quickly became associated with Mexican migrants the *bracero* a docile Mexican contract laborer the *zoot suiter* a delinquent Mexican American youth engaged in gang culture and the *wetback* an unwanted migrant who entered the country by swimming across the Rio Grande By showing how these figures were constructed Flores provides insight into the ways in which we racialize language and how we can transform our political rhetoric to ensure immigrant populations come to belong as part of the country as Americans Timely thoughtful and eye opening *Deportable and Disposable* initiates a necessary conversation about the relationship between racial rhetoric and the literal and figurative borders of the nation This powerful book will inform policy makers scholars activists and anyone else interested in race rhetoric and immigration in the United States

serious discussion of the literature of the time He examines for instance how the great privations of wartime when oranges would be raffled off as valued prizes resulted in roccoco prose styles that dwelt longingly on lavish dinners and how the high mindedness of the era and the almost pathological need to accentuate the positive led to the downfall of the acerbic H L Mencken and the ascent of E B White He also offers astute commentary on Edmund Wilson s argument with Archibald MacLeish Cyril Connolly s Horizon magazine the war poetry of Randall Jarrell and Louis Simpson and many other aspects of the wartime literary world Fussell conveys the essence of that wartime as no other writer before him For the past fifty years the Allied War has been sanitized and romanticized almost beyond recognition by the sentimental the loony patriotic the ignorant and the bloodthirsty Americans he says have never understood what the Second World War was really like In this stunning volume he offers such an understanding Publications United States. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
