The Beginning of Everything Roy DePolitte,2018-05-03 The Beginning of Everything rolls out on many levels First of all it is a narrative about the most sparsely documented times in history Characters are brought to life in action and dialogue providing images of how life must have been Vivid details decorate their environment and sensitively reveal their personal thoughts and emotions Nature in all of its peaceful glory majesty and power both soothes the sensitive soul and horrifies the reader with scenes of unspeakable power and wrath Time stands still as the ingenious creative order of all that we know comes to life Shocking revelations bear indisputable truths as the reader s eyes are opened to what was right before them all the time on the pages of the Holy Scripture The controversial clash between so called science and faith finds common ground in the truths that overpower assumptions Challenging questions

are asked and answered in precise and convincing revelation such as Was Adam s wife named Eve in the garden Or Was sunlight the light that shined when Let there be light was spoken God's Creation Thd Eduardo Adame,2009-04 Eduardo Adame ThD wanted to find a way to share his biblical knowledge and help others discover the true meaning of the scriptures This he did by researching the ancient manuscripts and transcribing them into biblical scripture format rather than prose format to encourage the reader to research the noted scripture verses Part I of the book researches various aspects of God s Creations Part II explores the Natural Creation of Man and Woman while Part III researches the Spiritual Creation of Man and Woman Parts II and III include references to additional scriptures which allows the reader to make comparisons between the Hebrew and Greek manuscripts as well as the Old Testament and the New Testament scriptures Eduardo Adame ThD received his Bachelor of Arts degree in 1975 from San Francisco State University with a major in Broadcast Management He received the degree of Master of Theology from Summit University of Louisiana in 2000 After retiring from a career in higher education administration his love for research and the study of the Bible and other biblical documents inspired Dr Adame to pursue his doctorate in Biblical Theology from Summit University He received his doctor of Theology degree in 2003 While completing his dissertation he found that it was often difficult to comprehend the true meanings in the scriptures by simply reading various versions of the Bible *From Adam and Israel to the Church* Benjamin L. Gladd,2019-12-03 This ESBT volume addresses core questions about spiritual identity examining the nature of the people of God from Genesis to Revelation through the lens of being created and formed in God s image Benjamin Gladd argues that living out God s image means serving as prophets priests and kings and he explains how God s people function in these roles throughout Scripture
